Fort St. George, Judicial Consultation, 15th June 1858.

No. 27. Read the following Extract from the Minutes of Consultation in the Military Department, dated 25th May 1858, No. 1784.

Read letter from the Adjutant General of the Army, Head Quarters Ootacamund, 7th May 1858, No. 845 ; to the Secretary to Government, Military Department.

I have the honor by order of the Commander-in-Chief to acknowledge the receipt of Extract from the Minutes of Consultation, dated 3rd Instant, No. 1546.

Referring to paras. 19 to 22 both inclusive of Mr. Robinson's letter, Lieutenant General Sir P. Grant desires me to state, that His Excellency entirely concurs with that gentleman as to the inexpediency of adopting Captain Walpole's views and withdrawing the Troops from the Frontier Posts which have been selected for their occupation.

The Collector must be better authority than Captain Walpole with respect to the climate and evil properties of the District, but were the insalubrity of the locality as alleged by Captain Walpole an established and admitted fact, the pressing necessity for placing Troops on the Frontier to preserve tranquillity and arrest the spread of rebellion must overweigh all other considerations.
