Fort St. George, Judicial Consultation, 29th June 1858.

No. 22. Read the following letter from C. PELLY, Esq., Magistrate of Bellary; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 19th June 1858, No. 36.

SIR,

In a letter from the Magistrate of Darwar to my address under date the 14th Instant, that gentleman in speaking of the late out-break caused by the insurrection of Bheemrow and the Nurgoond chief, and the successful operations against them, adds. "Thus this daring attempt to raise the country in insurrection has been so speedily and effectually subdued that quiet has been completely restored to these Districts and is likely now to continue long undisturbed."

2. In another letter of the same date the Magistrate of Darwar has requested me to inform him "whether the inhabitants of the Bellary District bordering on the Darwar Zillah have been or are intended to be disarmed" and he adds "that a general disarmament has been ordered in the Darwar Zillah, but it is obvious that the measure will be incomplete and place the inhabitants of that District at a disadvantage if the inhabitants of neighbouring Districts are allowed to retain their arms."

3. I have replied to the Darwar Magistrate and informed him that I believe there is no intention of disarming any part of the population of Bellary; a measure which I do not see any necessity whatever for, in this District.

4. I have the honor to report the above circumstances for the information of Government.

No. 23. ORDER THEREON, No. 850; dated 25th June 1858.

The Government approve the reply given by the Magistrate of Bellary to the Magistrate of Darwar, as reported in the above letter.

(Signed) T. PYCROFT,
Chief Secretary.
