Fort St. George, Judicial Consultation, 2nd July 1858.

No. 40. Read the following letter from C. F. CHAMIER, Esq., Acting Register to the Court of Sudder Udaltut; to T. PYCROFT, Esq., Chief Secretary to Government, dated 18th June 1858, No. 42.

SIR,

Adverting to Extract from the Minutes of Consultation, under date the 26th September 1856, authorizing the employment of the Siryar Moonsiff in the Zillah of Mangalore, as an Additional Moonsiff for the town of Mangalore, I am directed by the Judges to state, for the information of the Government, that the Mangalore Moonsiff's file has now been so materially reduced, as to render unnecessary the further services of the Additional Moonsiff; and that they would accordingly advise the abolition of this latter Court.

2. The Judges direct me to forward, in connection with this subject, copy of a letter received from the Civil Judge of Tinnevely, pointing out the great increase of litigation in that Zillah, and suggesting the creation of a new third class Moonsiff's Court.

3. It was the intention of the Judges to have recommended the establishment of such Court, as a distinct and independent measure; but their attention having meanwhile been drawn to the state of the Mangalore Moonsiff's file, they are of opinion that the Judicial wants of Tinnevely might be met by transferring the Additional Moonsiff of Mangalore, together with his establishment, to that Zillah.

From E. STORY, Esq., Civil Judge of Tinnevely; to C. F. CHAMIER, Esq., Acting Register to the Court of Sudder Udaltut, Madras, dated 21st May 1858, No. 495.

SIR,

1. I have the honor to forward a statement of suits filed in the Courts of the District Moonsiffs in this Zillah from the year 1843, from which it will be observed that there has been a progressive increase of suits and that much more than double the number are now filed in two of the Courts, and nearly double the number in the third to what were instituted in the year 1843.

2. There is a decrease in the number of suits instituted before the District Moonsiff of Nadoomundalum in the year 1857, which is, I think, mainly attributable to the very unsatisfactory way in which the late Moonsiff Mr. Carlier conducted his duties, and the falling off may also partly be attributed to the difficulty in procuring Stamps about the end of the year owing to the supply not having been received in the Collector's Cutcherry, as reported by the District Moonsiff, under date the 3rd December 1857.

3. As the work before the District Moonsiffs' Courts is more than they can reasonably be expected to get through without arrears, I respectfully beg to suggest the appointment of another 3rd class District Moonsiff in this Zillah.
