In the revised tabular Statement of the establishment for the Magistracy and Police of the Town of Madras, submitted for the sanction of the Government of India on the 14th February 1857, the Clerk of the Peace was in inadvertence entered in the establishment for the Royapettah Police Court instead of in that of the office of the Commissioner of Police. There is no reason why a highly paid Clerk should be attached to the Royapettah Magistrate's Court more than to the Courts of the other divisions, while the services of such an Officer in the Police are indispensable. This Clerk has for the last two years or from the separation of the Police and the Magistracy in May 1856, been employed in the Department of the Commissioner of Police and should be regarded as permanently attached to his establishment. The confirmation of the Government of India is solicited to this arrangement, which as it involved no increase of expenditure has been carried out under their orders of 8th February 1856, No. 663.
