Fort St. George, Judicial Consultation, 27th July 1858,

No. 28. Extract from the Minutes of Consultation, dated 23rd July 1858, No. 997.

Read again letter from the Advocate General, dated 13th July 1858.

Resolved, that copy of para. 2 of the above letter, be furnished to the Inspector General of Ordnance and Magazines for his information.

2. In his comments upon the Triplicane murder case tried at the last Sessions, the Advocate General states that "it appears to him to be an undoubted fact, that former transactions had occurred between Ramachendra Row, Deputy Commissioner of Police, and the accused Vencataswamy Batten, such as among Natives do constantly form a ground of deep and abiding enmity." The Government resolve to call upon the Commissioner of Police for any remark that he may have to make on this opinion, as also for explanation, why supposing past transactions between Ramachendra Row and Vencataswamy Batten to have been of the character here described, the former was allowed to take any share in the enquiry into the crime charged against the latter.

3. Furthermore it would seem to be doubted by the Advocate General—judging by the re-examination of the Taliar Roodrapen in the presence of the Honorable Company's Solicitor on the 2nd July, and by the way in which he gave his evidence before the Court at the trial—whether the previous cross-examination of the same party by Vencataswamy Batten on the 18th April, and his supplementary depositions of the 13th and 14th April, were correctly taken down. The Magistrate of the Royapettah Police Court will be called upon to explain, in what manner the depositions here alluded to were recorded, and what precautions are used in his Court generally, to ensure accuracy in taking down the evidence of witnesses in committable cases.

Chief Secretary.
