*Proceedings of the Madras Government, Judicial Department,  
from 30th July to 5th August 1859.*

No. 1. Read the the following Telegram from the Agent at Ganjam; to the Chief Secretary to Government, Fort Saint George, dated 15th July 1859.

"The removal of the forty-third Regiment from Russelcondah to Cuttack, before other arrangements regarding the Orissa Sebundies are settled, is inexpedient, as I have already stated."

No. 2. MINUTE by the HONORABLE the PRESIDENT, dated 26th July 1859.

His Excellency the Commander-in-Chief will, no doubt, be able to postpone the relief of the Regiment until an answer can be received from the Supreme Government. I have the papers relating to the Meriah Agency and shall soon be able to give my opinion upon them.

I shall be glad to know what His Excellency thinks about the officering of the Sebundies. As a general rule, there should be a second Officer to take the place of the first, in case of sickness or absence, besides giving him useful support.

(Signed) C. E. TREVELYAN.

No. 3. ORDER THEREON, 30th July 1859. No. 1023.

The above Telegram will be communicated to the Military Department, and also to His Excellency the Commander-in-Chief, through the Adjutant General of the Army.

(Signed) T. PYCROFT,  
Chief Secretary.

2.  
There is no intention of  
withdrawing the Regt from  
Najaf under the  
existing conditions.  
I am of opinion that a  
second suspicious  
officer, at least, is  
quite necessary with  
each of the Schuastic  
Comps. & the Q-shool  
also have <sup>Q-shool</sup> medical  
aid of some description -  
The removal

The Rest is contingent  
on I understand on the return  
of the Liberator from  
Cathart - This can easily  
be arranged for the  
next morning  
I think it is absolutely  
necessary the inquiry  
be made more fully

that full report to  
be made to the  
Committee  
and the  
Board of  
Directors  
and the  
Board of  
Directors

that it would be better to have  
the subject covered in general  
terms.

I have just received this  
Telegram -

and I have taken that the  
subject was not to be with.

It was a very good idea  
to have a Russell contact.

until the cold weather -  
the question as to the March

opening is now before you and  
the whole of it is now before you.

was first submitted considering  
the first submitted considering

that it should continue a separate  
Agency but be transferred to the  
post of Madison.

If so, that will not be far from  
I can very well manage the office  
- much as regards the posture  
of affairs at Rattail Creek.

Anyway the present one is  
the further treatment of the same

Merits Agency will have  
to be decided by the Supreme

but and some time will  
elapse before that decision is given

given and not otherwise  
 I have no doubt of it  
 There is one point which  
 would take the liberty of the  
 -ting in connection with the  
 from the Librarian's view whether  
 they are well provided - They  
 but one Librarian (the  
 -tioned officer to 400 men  
 which is the Librarian's  
 and the Librarian's  
 care of less than 100  
 former Librarian - the latter  
 there is no doubt  
 of the Librarian's

from Russellcondah then with  
again 400 regulars under  
an Indian officer - I think  
without any medical assistance

Supreme Government. I have the papers relating

I shall be glad to know what  
the Commander thinks about the officers of the  
Seaboard. As a general rule there should
