*Proceedings of the Madras Government, Judicial Department,
from 30th July to 5th August 1859.*

No. 31. Read the following letter from C. F. CHAMIER, Esq., Register to the Court of Foudaree Udalut; to T. PYCROFT, Esq., Chief Secretary to Government, dated 2nd August 1859, No. 17.

I am directed by the Court of Foudaree Udalut to state that, though not expressly called upon for any observations on the Bill for simplifying the Procedure of the Criminal Tribunals, now before the Legislative Council, the Judges have remarks to offer thereon which they consider of sufficient importance to be brought under the consideration of the Council, before the said Bill passes into Law. Nearly three years having elapsed since the Minutes of the Judges on the Reports of Her Majesty's Commissioners were forwarded to the Government, and more than two years since the present Bill was read a second time, and published for general information, the Judges presume that if their remarks are submitted to Government in time to be forwarded to the Legislative Council, by the Steamer shortly expected from Suez, they will arrive before the passing of the Bill, but should there be any doubt on the subject, the Judges direct me to request that a Telegraphic Message may be sent to the Member for Madras, desiring him to arrange for the postponement of the final reading of the Bill until the receipt of the comments in question.

No. 32. ORDER THEREON, 2nd August 1859, No. 1040.

The Government have requested their Member of the Legislative Council by Telegraph; that the Criminal Code Procedure Act, may not pass into a Law until they have had an opportunity of expressing their opinion upon certain of its provisions, which they will do by the second Steamer of this month.

(Signed) T. PYCROFT,
