Note

Proceedings of the Madras Government, Judicial Department, from 30th July to 5th August 1859.

No. 58. Read the following letter from W. GREY, Esq., Secretary to the Government of India; to T. PYCROFT, Esq., Chief Secretary to Government of Fort Saint George, dated Fort William, the 20th July 1859, No. 1448.

With reference to the accompanying Extract, paragraph 4, from a letter, No. 113, dated 8th Instant, from the Superintendent of Port Blair, I am directed by His Excellency the Governor General in Council to request that, with the permission of the Right Honorable the Governor in Council, a Dresser may be sent by the first opportunity for the Hospital of the Sebundy Corps at that Settlement.

Extract of a letter from the Superintendent of Port Blair, to the Secretary to the Government of India, No. 113, dated the 8th July 1859.

4. It is very desirable that a Madras Dresser should be attached to the Hospital of the Andaman Sebundy Corps, Doctor Gamack, the Officer in Medical charge of the Settlement, requires a good Subordinate to attend to the soldiers and their families. The Native Doctor who is called upon to attend them during Doctor Gamack's absence, is unable to converse with them satisfactorily, and moreover can be hardly spared from his duties at the Settlement Hospital. I beg, therefore, for this representation, the favorable consideration of Government.

(True Extract.)

(Signed) W. GREY,
Secy. to the Govt. of India.

No. 59. ORDER THEREON, 5th August 1859, No. 1055.

Communicated to the Director General of the Medical Department, who will report to Government, whether a Native Dresser can be spared, under the obvious necessity of the case, for appointment to the Andaman Corps.
