JUDICIAL DEPARTMENT.

No. 825.

FROM

T. PYCROFT, Esq.,

Chief Secretary to the Government of Fort Saint George.

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,

Dated the 16th June 1859.

SIR,

I am directed by the Honorable the Governor in Council to recommend, for the favorable consideration of the Government of India, the grant of a pension to the family of a deceased charcoal burner of Tanjore, by name Valoydum, under the following circumstances.

2. From the Advocate General's report of the proceedings at the second Criminal Sessions for this year, which is recorded in the Judicial Proceedings of this Government, 2nd May last, No. 602, it will be seen that the death of Valoydum resulted from injuries inflicted on him by James Smith, a Corporal in the Sappers and Miners, and employed in the Public Works Department at Negapatam. James Smith was tried on a charge of manslaughter in the Supreme Court, but was acquitted and his acquittal called forth strong comment from the Advocate General.

3. It appeared to this Government proper that some provision should be made for the family of the deceased, if he had left any. The Magistrate of Tanjore, to whom a reference was made to ascertain this point, as also for his opinion as to what would be a suitable provision, has reported, that the deceased has left a widow aged 25 years, and two sons aged respectively 8 and 4 years. They have no means of livelihood except by carrying charcoal from the jungles to the town of Negapatam. He recommends a monthly allowance of Rupees (3) three being granted them for their maintenance, to be continued till such time as the boys come of age and are able to work for themselves.

4. I am directed to solicit the sanction of the Government of India to the grant of this stipend in consideration of the special circumstances of their case.

I have the honor to be,

Sir,

Your most obedient Servant,

Fort Saint George,
16th June 1859.
