Fort St. George, Judicial Consultation, 1st February 1859.

No. 17. Read the following letter from Colonel J. C. BOULDERSON, Commissioner of Police; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 20th January 1859, No. 5.

SIR,

"1.—In forwarding the accompanying Indent for gravel already expended in the formation of Horse lines at our new Quarters, I have the honor to report that at least 600 loads more will be required to put the lines in a decent state, and as gravel cannot be obtained at Madras unless by purchase, I trust you will be good enough to solicit the Government to sanction the cost of the additional quantity required.
2.—The square bricks included in the Indent are for the purpose of flooring the Barracks, the chunam floors have all broken up and the land-lord has agreed to remove the chunam and lay down flooring tiles in its place, if he is furnished with the bricks. As it is impossible to keep the Barracks clean until this is done, and they are in their present state very uncomfortable, I hope this also will meet with the sanction of Government."

19th January 1859.

I have the honor to give in margin, copy of a letter to my address from the Superintendent of the Police Troop, and to submit an Indent for the gravel and square bricks asked for by him, and in doing so, to recommend the same for sanction, as in my opinion absolutely necessary.
