Fort St. George, Judicial Consultation, 1st February 1859.

No. 19. Read the following letter from A. PURVIS, Esq., Magistrate of Rajahmundry ; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Nursepoor, 17th January 1859, No. 22.

SIR,

I have the honor to request the sanction of Government to the disbursement of a sum not exceeding 195 Rupees, to meet the expense of clearing away a large patch of prickly pear between the town of Samulcottah and the cantonment, the growth of many years, and the existence of which the Medical Officer in charge of the Regiment,* now stationed at the place named, considers very prejudicial to the public health. The ground occupied is nearly half an acre. The plants have attained a great height, and the small spots within the tract, not quite overgrown, are the receptacle of every kind of filth. Under these circumstances, it is very desirable that the place should be cleared. Both the Medical Officer and the Officer in Command of the 1st Extra Regiment, have written to me strongly on the subject, and, as I fully agree with them, I trust the expenditure of the sum asked for, may be sanctioned. Care will of course be taken to prevent the place again becoming a nuisance, or the plant again springing up.

No. 20. ORDER THEREON, No. 111 ; dated 26th January 1859.

The Government sanction the clearance of the large patch of prickly pear between the town and cantonment of Samulcottah, referred to in the foregoing letter, at a cost not exceeding Rupees (195) one hundred and ninety-five, but desire the Magistrate of Rajahmundry, to communicate with the Inspector General of Jails, and see if he cannot obtain the assistance of prisoners in diminution of the expense.

(Signed) T. PYCROFT,
Chief Secretary.
