Dated 27th August 1859.

***Not to be folded or roughly handled***

*Proceedings of the Madras Government, Judicial Department, from 27th August to 2nd September* 1859.

No. 1. Read the following letter from P. GRANT, Esq., Magistrate of Malabar; to T. PYCROFT, Esq., Chief Secretary to Government, Judicial Department, Fort Saint George, dated Calicut, 19th August 1859, No. 73.

Ulaven Moota, late Havildar, Malabar Police Corps.

*Extract Minutes of Consultation, dated 11th March 1858, No. 331, Judicial Department.

Information has reached me that a Moplah outlaw, named as per margin, who was deported from this place to Arabia in March 1858, under the Orders* of Government, has lately arrived at Bombay from Mecca, and is endeavouring to procure a passage to Malabar.

2. I have despatched a telegram to the Chief Secretary to Government, Bombay, to effect his immediate arrest and detention, as well as the prompt seizure of his Moplah companions and papers, and, should he have already sailed from Bombay, to ensure the necessary communication being sent up the coast to prevent his landing.

3. I have also sent the same telegram to the Joint Magistrate of Cochin and Superintendent of Police at Cannanore, with a request to communicate it to the Resident of Travancore and Magistrate of Canara, with the view of having the requisite orders issued to the Custom Officers within their respective ranges.

4. I have likewise instructed all my subordinates, European and Native, to be strictly vigilant in reference to this matter.

5. The return of a man of Moota's stamp to Malabar, I must deprecate. He is a turbulent character, imbued with fanatical principles and too desperate and daring to be considered safe. Every possible means should, I consider, be adopted to frustrate his intention of re-visiting the scene of his former misconduct. I would suggest, therefore, that the Government of Bombay be requested, by post, or telegraph, to cause him to be immediately arrested and dealt with according to Law, if possible, without being forwarded to this District, which would not be expedient, as being likely to have a tendency to arouse the sympathies of certain of his countrymen and co-religionists.
