*Proceedings of the Madras Government, Judicial Department,
from 27th August to 2nd September 1859.*

No. 3. Read the following letter from J. ROHDE, Esq., Inspector General of Jails; to T. PYCROFT, Esq., Chief Secretary to the Government of Fort Saint George, dated Ootacamund, 19th August 1859, No. 370.

I have the honor to request that a further sum of Rupees (5,000) five thousand may be placed at my disposal in the hands of the Collector of Coimbatore. I have not yet drawn from my Agents the 2,000 Rupees, receivable from the Sub Treasurer, as I had a balance of the 1,000 Rupees advanced for general purchases on Prisons account still in the Agents hands.

2. The general practice of securing work of all kind by advances on contract on the hills has compelled me to the same course which will account for so large a sum appearing under that head.

3. Several articles purchased are it may seem in anticipation; the great difficulty of procuring superior articles when wanted has induced me to do this.

4. The tools I purchased will be charged at cost price to the Carpenters or issued to such Convicts as can be taught to use them, the facility of obtaining tools is, I find, a temptation to workmen while it enables them to do better work.

8th August, recalled.

I require this in Madras for
payments there.

J. R.

5. I wrote before under the misapprehension, that Messrs. Arbuthnot and Co. had not drawn the 2,000 Rupees, as it did not appear in their account, and I had not received their acknowledgement, I found since that the money had been received but miscredited.

No. 4. ORDER THEREON, 27th August 1859, No. 1153.

The Collector of Coimbatore is authorized to place a further sum of (5,000) five thousand Rupees, at the disposal of the Inspector General of Jails, under the estimate sanctioned for the Jail at Ootacamund.

Chief Secretary.
