No. 5. Read the following letter from Brigadier W. G. WHITE, Commanding Vellore; to T. PYCROFT, Esq., Chief Secretary to Government, Fort St. George, dated 20th August 1859, No. 208.

In reply to your letter of the 6th Instant, I have now the honor to forward a Schedule of the debts due by Stree Vurdarauze Bunge son of the late Ex-Zemindar of Goomsur, amounting to Rupees 1,788-6-6, to various persons residing at Vellore. I have every reason to believe this is a correct List of his debts, for what purpose contracted, and to whom due.

No. 6. ORDER THEREON, 27th August 1859, No. 1154.

The Government authorise the debts of Sré Vurdaráj Bunj, amounting to Rupees (1,788-6-6,) one thousand seven hundred and eighty-eight, Annas six and Pice six, being paid through the Brigadier Commanding Vellore; and the balance of the pay undrawn by him Rupees (4,644-2-2,) four thousand six hundred and forty-four, Annas two and Pice two, being disbursed to the Ex-Zamindár himself.

2
To The Honorable Walter Elliot Esq
Councillor of the Government of Fort St George

The Humble Petition of Shree Siva
Shrinath Varadar Shree Sundaray
Bunjee Mahairaj the humble
of the Village of Gomsior in the
District of Canjion.

Humbly Sheweth

That your Petitioner is an Hindu Inhabitant
and Resident of Bellare and now resides near the River Puzh
in the Black Town of Madras. He humbly entreats your Honor will
be pleased to take your Petitioner's case into Consideration and
grant your Petitioner due relief as the Nature of his Case
may require.

Your Petitioner begs to state that in the Year 1837 up
to this time your Petitioner did no wrong or injury to any person
and if there be any Charge against your Petitioner he is ready to abide
any punishment that may be inflicted upon him but if
there be no fault found against him he humbly entreats your
Honor in Council to allow him his usual Post as other Hindus
are situated.

In your Petitioner's Country some of his Enemies represented
to the Collector that if your Petitioner should come to the Village
of Gomsior Government would sustain loss and much variance
and

and differences will arise amongst the Inhabitants there on Account of your Petitioner's Marriage that if your Petitioner wishes to come for the performance of his Marriage Ceremony that your Petitioner could come to Rajahmundry and from there your Petitioner must proceed to Vellore again because the Inhabitants unjustly petitioned the Collector of that District to remove your Petitioner therefrom stating that if your Petitioner could not remain there that if your Petitioner continues there it would be ruinous to that Village. It is to be observed that the servants of the Circar during the time of the performance of their duties attend to their business but at night they assemble and go about the Village setting fire to the huts and committing other Mischief. - And again they appear the following day as if they know nothing. - Your Petitioner humbly craves the Government will be pleased to send me to my Village for 2 Years and appoint a European Commissioner over me to remain there and to see how things are conducted and it will be in your Petitioner's power to apprehend those Enemies who are against your Petitioner and settle all disputes that are existing and if Government find that everything is well regulated Government could allow your Petitioner to remain there for good or otherwise your Petitioner may be ordered to return to Vellore again and the Garrison may remain there as usual and order your Petitioner to collect the Revenues so far as relates to the Masildars Authority.

Yours

31
Your Petitioner also begs to state that as Vellore has not grown with your Petitioner's Constitution your Petitioner is anxious to go to his Country namely to Gornoor a place where your Petitioner was born and has been quite accustomed to but if Government is not pleased to send your Petitioner then the Government may obtain the permission of the Queen or the Honorable Council of Directors or allow your Petitioner to address His Majesty on the subject.

The Principal Merchants and Cultivators are anxious that your Petitioner should become resident there then the Country would flourish and be in good Condition and to this effect a Petition was lately addressed by the Inhabitants of Gornoor to General Dyer about 10 Years ago. This information your Petitioner learnt from Mr. Montgomerie and Mr. Dalrymple.

Your Petitioner also begs to add that your Petitioner's present residence in Vellore Fort is a place most uncomfortable and unhealthy and your Petitioner is much distressed in that Station and that if your Petitioner's servants were to live in there for 2 Years they would die beyond all doubt and in like manner your Petitioner's 4 Brothers died of the same Complaint and 3 Months ago your Petitioner lost another Male Servant and your Petitioner became quite sick and took a good deal of Medicine in Vellore but did not recover your Petitioner now came down to Madras sick and placed himself under the treatment of Dr. Paul and your Petitioner begs to be permitted to remain here until your Petitioner's recovery.

On the year 1836 after the death of your Petitioner's Father

1/2
Further your Petitioner appealed to Honorable Mr. Russell about
your Petitioner's Circumstances in life that he had been ordered to pay
to allow Rupees 500 for your Petitioner's own expenses and
Rupees 500 for the benefit of your Petitioner's family that he
your Petitioner received until December 1857 when it was
afterwards reduced to 300 Rupees on a false charge that your
Petitioner by some of his Enemies who represented to the
Honorable Mr. Russell that your Petitioner was improperly gaining money and making
it to himself.

That your Petitioner refused to receive 35 Rupees
Salary at the rate of 300 Rupees per month from the Rajah
for the reason of his not having assigned over sufficient
for having made such deduction and which is still
Arrear.

Your Petitioner also beg to bring to the notice of
Government that it being your Petitioner's intention to live in
in life your Petitioner proposed to enter into the Marriage
State and to perform the Marriage Ceremony at your
Petitioner's own Village at Goomsoor but your Petitioner
was informed that he is not permitted to perform such
Ceremony at Goomsoor but that he may do so at Rajahmundry
besides it is painful to your Petitioner to bring to the notice
of the Mariah Government that situated as your Petitioner
is at present surrounded with friends as a Prisoner and not
being free your Petitioner feels much ashamed to complete
his Marriage your Petitioner is therefore humbly
the

the favorable Consideration of Government to make
your Petitioner free and to permit him to proceed to
his Native Village of Goomsoor for the Completion of his
said Marriage for which Act of Benevolence your
Petitioner will always pray to the Government
for their prosperity and happiness.
