Proceedings of the Madras Government, Judicial Department, from 27th August to 2nd September 1859.

No. 23. Read the following letter from Lieutenant Colonel H. COLBECK, Senior Magistrate of Police; to T. PYCROFT, Esq., Chief Secretary to Government, dated 24th August 1859, No. 11.

I have the honor to state that consequent upon the alterations made recently at this Court, a piece of road about 200 yards long, is urgently required from the Meersaibpett gate to the entrance of the Court, as at present (particularly in wet weather) conveyances are with great difficulty able to traverse the distance.

2. I pointed out this requirement the other day to the Civil Architect, and he quite agreed with me in opinion as to the necessity of the road in question; at the same time adding that it had been recommended when the alterations here were in progress, but that by some mistake it had been omitted in the Estimate submitted to Government.

3. I have the honor to request the Honorable the Governor in Council will be kind enough to sanction the execution of the work.

No, 24. ORDER THEREON, 30th August 1859, No. 1165.

Resolved that an Estimate for the proposed road-way, within the compound of the Royapettah Police Office, together with a sketch of the premises, showing the course which it is to take, be called for through the Public Works Department.

(Signed) T. PYCROFT,
