Proceedings of the Madras Government, Judicial Department, from 3rd to 9th September 1859.

No. 53. Read the following letter from the Right Honorable Sir CAHRLES WOOD, Bart, G. C. B., Secretary of State for India; to His Excellency the Right Honorable the Governor in Council, Bombay, dated London, the 14th July 1859, No. 20.

Public. I learn that the Administrator General at your Presidency has of late distributed the Estates of Intestates and others at the end of six, instead of twelve, months from the grant of the letters of Administration. This deviation from the general rule may seriously affect the interests of creditors and others, I therefore request that you will intimate to the Administrator General, your desire that this practice should be discontinued.

2. Cases may occur where the Administrator General can part with an Estate without delay, as for instance when the Indian Administration is clearly ancillary to the Home Administration. In such cases it is not my intention that the above instructions should interfere with the judgment of the Administrator General.
