Proceedings of the Madras Government, Judicial Department, from 10th to 16th September 1859.

No. 51. Read the following letter from WILLIAM FISHER, Esq., Magistrate of Canara; to the Chief Secretary to Government, Fort Saint George, dated Mangalore, 2nd September 1859, No. 42.

With reference to my letter of the 26th Ultimo, I have the honor to state for the information of Government, that in consequence of recent information as to the necessity of a re-inforcement in Soopah, in order to enable the Officer Commanding the Field Force to carry out certain arrangements for the defence of the country in concert with Lieutenant Drever, and the possibility (ascertained by the latter Officer) of the re-arming of the Bund in the Goa territory, the Detachment re-called, has again been ordered to proceed to Honore, from which place 50 men will march to Jugglebett.

2. It appears that Lieutenant Drever, who has lately followed the Bund into the Goa territory, found the population decidedly inclined to harbour these miscreants, though the authorities seem to be exerting themselves in our favor.

3. Under these circumstances, I could but agree with Colonel Wight, that the Detachment in question had better proceed, and as there is every appearance of a break, it is to be hoped, that the men will no longer have to encounter the extremely severe weather, which they have hitherto experienced.

No. 52. ORDER THEREON, 14th September 1859, No. 1246.

To be recorded.

(Signed) T. PYCROFT,
Chief Secretary.
