1 Letter from Acting District Engineer, Vizagpatam, dated 20th June 1859, No. 185.
1 Do. to do. 7th July, No. 2508.
1 Do. from do. 29th do. No 320.
1 Abstract Estimate.
1 Plan.

I have the honor to forward herewith a Plan and Estimate amounting to Rupees 900, for certain alterations required to the Moonsiff's Court at Seetanagrum in the Vizagapatam District.

2. The present building is represented by the District Engineer to be in a dilapidated condition. The main walls are, moreover, much too low, as are also the verandah pillars, the latter built of brick in mud and of unusually large diameter. The alterations provided for in the Plan are, in my opinion, necessary for the comfort and convenience of the Court Servants. I beg to recommend, therefore, that the Estimate herewith submitted may be sanctioned for entry in the next Budget. The rates allowed therein are moderate but sufficient.

3. The District Engineer has been authorized to carry out at once such repairs as may be considered meanwhile necessary to the building, such as shifting tiles, &c., to render the roof water-tight.

Transferred to the Judicial Department.

Secretary to Government.
