Proceedings of the Madras Government, Judicial Department, from 24th September to 4th October 1859.

No. 37. Read the following letter from H. L. ANDERSON, Esq., Secretary to Government, Bombay; to T. PYCROFT, Esq., Chief Secretary to the Government of Madras, dated 19th September 1859, No. 924.

Referring to my letter No. 913, dated the 15th Instant, I have the honor, by desire of the Right Honorable the Governor in Council, to forward to you copies of a letter and its enclosure from the Commissioner of Police, Bombay, relative to the Moplah out-laws expected to return from Arabia to India, and to request that you will, with the permission of the Government of Madras, obtain and furnish this Government with Descriptive Rolls of these persons.

From W. CRAWFORD, Esq., Commissioner of Police, Bombay; to H. L. ANDERSON, Esq., Secretary to Government, dated 17th September 1859, No. 433.

With reference to your letter No. 914, dated the 15th Instant, I have the honor to enclose a letter from Mr. Forjett, Deputy Commissioner of Police, No. 636, of yesterday's date, and I would suggest that description lists of the Moplah fanatics expected from Arabia be obtained and furnished to him.

From J. FORJETT, Esq., Deputy Commissioner of Police; to W. CRAWFORD, Esq., Commissioner of Police, dated Bombay, 16th September 1859, No. 636.

I have the honor to acknowledge the receipt of Mr. Secretary Anderson's letter, No. 914, of yesterday's date, with accompaniment, forwarded to me under your endorsement, and to state that all possible look-out will be maintained for the individuals named in the letter of the Chief Secretary to the Government of Madras.

There are, however, fifty-five such individuals, and, as no descriptions have been received and (so far as I have been able as yet to ascertain) their persons being known to no one in Bombay, I would beg to suggest that Government be solicited to take steps to provide me with a Description Roll of the parties in question, or to obtain the services of some one to be sent to Bombay to whom their persons may be known.

Arrangements will be made for the institution of careful enquiry as to parties reaching Bombay in vessels and country crafts from Aden and the ports of Arabia, but it is probable that the precaution of landing at some place in Sind or Goozerat and travelling to Bombay by land may be adopted by the Moplahs, in which case the presence in Bombay of some one acquainted with their persons would prove of essential benefit.

With even a description of their persons, they may evade detection by disguise, and the scores of boats which daily leave Bombay for different ports on the coast, would afford them easy facility to return to their country.

Secretary to Government.
