Read the following Proceedings of the Board of Revenue, dated 26th August 1859, No. 3372.

No. 68. From G. S. FORBES, Esq., Collector of Ganjam, dated Chetterpore, 8th June 1859, No. 159.

I have the honor to forward herewith copy of a letter received from the Civil Auditor objecting to pass in full the Saderward bill of the Sebundy establishment for March last and requesting that the sanction of Government may be obtained for the remaining portion of the bill as well as for any other expenses that may be incurred during the remaining portion of the current Fusly.

2. The amount of Rupees 960, admitted by the Civil Auditor and shewn in his Manual, Chapter VII., para. 274, does not include the Saderward allowance of 240 Rupees, sanctioned in Extract Minutes Consultation of the 4th April 1851, on account of the half Company of Sebundies transferred from the Meriah to the Ganjam Agency on the 1st November 1850, but it has been included in the following para. of the Manual in the amount of Rupees 879, the annual allowance of dresses, as the original sum allowed for that purpose is only Rupees 639. This mistake on the part of the Civil Auditor seems to have arisen from the circumstance of the Government having blended this sum with the annual dress allowance of 213 in their Extract Minutes Consultation of the 4th April 1851.

3. The Board will observe that the Saderward allowance of Rupees 1,200 was granted for the expenses of only 2½ Companies of Sebundies formerly raised. It is not sufficient for the 4 Companies now in existence.

4. Under these circumstances I request, that the Board will be pleased to obtain the sanction of Government for an additional monthly grant of Rupees 60 (being at the rate of 40 Rupees monthly per Company) on account of the Saderward expenses of 1½ Companies of Sebundies subsequently raised.

From J. L. LUSHINGTON, Esq., Acting Civil Auditor, to G. S. FORBES, Esq., Collector of Ganjam, dated Fort Saint George, 18th April 1859, No. 333.

The Saderward expenses of the Magisterial establishment of your district on account of the Sebundy corps, are fixed at Rupees 80 mothly (vide Chapter VII., para. 274, of the Civil Auditor's Manual) or Rupees 960 annually. From July (the commencement of Fusly year) to February last, the sum of Rupees 872-12 has been passed as shewn in the margin, leaving a balance in your favor of Rupees 87-4, I have therefore passed the bill for March for Rupees 87-4 and request you will obtain the sanction of Government through the prescribed channel, for the remainder as well as for any other sum you may expend during the current Fusly; and then submit a supplemental bill for audit.

The Ganjam Sibbundy Corps consists at present of four Companies of 100 men each, exclusive of Jemadars, &c. A Saderwared allowance of 40 Rupees per mensem, for the repair of arms and accoutrements, and stationary, &c., was sanctioned, in the correspondence noted in the margin, for each of the two Companies raised, respectively, in 1837 and 1856; in the case of the other two Companies, the Civil Auditor require the authority of Government for passing similar charges.

Letter from Govt. of India, No. 818, dated 4th July 1856.

2. In November 1850, fifty Sibbundies with a corresponding number of Officers, were transferred to Ganjam from the Meriah Agency, and an annual allowance of Rupees 453 was sanctioned for their "clothing, &c." Out of this amount, a sum of Rupees 240, being 20 Rupees per month, was intended for saderwared,

E. M. C. in the Judicial Department, No. 202. dated 4th April 1851.

as it is so entered in paragraph 4 of the Agent's letter to Government, dated 24th February 1851; but of this fact the Civil Auditor appears, from his letter above recorded, not to be aware.

3. The Corps was still further increased by 1½ Companies (150 men with a proportionate number of Officers) under the orders of Government in the Judicial Department, No. 56, dated 12th January 1858, but as no definite allowance was then sanctioned for the additional cost thus entailed, the Collector requests that a further sum of Rupees 60, being at the usual rate of 40 Rupees per Company may be allowed for Saderwared.

4. With the above explanation, the Board resolve to submit the above recorded letter of the Collector and its enclosures for the orders of Government, with their recommendation that, a sum of 60 Rupees per mensem be sanctioned for the Saderwared expenses of the 1½ Companies alluded to in the preceding paragraph of these proceeding; and that the Civil Auditor be directed to consider Rupees 240 of the *annual* allowances of Rupees 453 referred to in paragraph 2 as the Saderwared allowance of that half Company.

5. The Saderwared charge for the *whole Corps* will, if Government sanction the 60 Rupees per mensem now recommended, amount to Rupees 1,920 annually, or 40 Rupees monthly per Company.

No. 69. ORDER THEREON, 29th Septr. 1859, No. 1321.

In their Proceedings recorded above, the Board of Revenue recommend that a sum of Rupees 60 per mensem, may be sanctioned for the *Sádérwarid* or contingent expenses of the 1½ Companies last added to the Gumsur Sebundies, to complete the allowance of Rupees 40 for each of the 4 Companies of which the Corps consists—the occasion for the application being the refusal of the Civil Auditor to admit a Bill submitted for audit by the Magistrate of Ganjam on the ground that "the Sádérwarid expenses of the Magisterial establishment of that District on account of the Sebundy Corps are fixed at Rupees 80 monthly."

2. It is observed that Sádérwarid to the amount of Rupees 100 per mensem for 2½ Companies of the Gumsur Sebundies at the rate of Rupees 40 per Company, has been sanctioned on the dates noted in the margin. It does not appear that the Agent's letter of the 24th February 1851, disposed of by Extract Minutes Consultation 4th April 1851, was communicated to the Civil Auditor, and hence he was not aware that Sádérwarid at Rupees 20 per mensem formed part of the sum of Rupees 453 sanctioned in that Extract. A copy of that letter will now be furnished him.

3. The above sum of Rupees 100, it is remarked, includes Rupees 17-8 per mensem, the pay of a Gomastah or Vakeel. An addition of Rupees 12-8 to the pay of this servant, raising it to Rupees 30 per mensem, was sanctioned by the Government of India in their letter of the 21st October 1856. The Sádérwarid and pay of this servant taken together thus stood at Rupees 112-8, or separately :—

	Rs.	A.	P.
Pay of Gomastah or Vakeel.....	30	0	0
Sádérwarid.....	82	8	0
Rs...	112	8	0

4. With respect to the additional 1½ Company, it is noticed that the scale sanctioned for which was communicated to the Civil Auditor and to the Agent on the 31st January last, includes an extra charge of 60 Rupees for a Vakeel and contingent charges.

5. Thus the total amount for the whole Corps and for the Gomastah will be as per margin, (Rupees 172-8) one hundred and seventy-two Rupees and eight Annas, at which rate the Civil Auditor will pass it from the month of March last, and for all future months.
