No. 56. Read the following letter from CLEMENT DALE, Esq., Government Pleader, Sudr Udalt; to THOMAS PYCROFT, Esq., Chief Secretary to Government, dated 1st February 1859, No. 13.

SIR,

Para. 1. With reference to the interview I had with you yesterday afternoon, I now have the honor to forward for the information of the Right Honorable the Governor in Council, a copy of the Petition presented yesterday to the Court of Foujdaree Udalt by Mr. Branson, on behalf of 5 inhabitants of Tinnevely.

2. The Judges have ordered that the case be heard on Saturday next.

3. I have considered it my duty to inform His Lordship in Council of this Petition.

4. I do not apprehend that the Judges will grant the prayer of the Petition, or give to the Petitioners any relief; and His Lordship in Council may not consider it necessary, to direct that any steps should be taken in the matter on the part of Government.

5. If it be His Lordship's wish, I can watch the case, and offer to the Court any suggestion that may appear desirable.

6. Should His Lordship in Council wish me to watch the case, it would be desirable that I should be furnished with an Order of Government to that effect.

7. And in that case, it would be desirable, that I should have a copy of the plan referred to in the Affidavit, and which is lodged in the Court; I would therefore suggest that the Chief Engineer be requested to send a Draftsman to the Court, with directions to trace off a copy of the plan for my use.

8. If I am to appear, it will be necessary that I should have the enclosed copy of Petition returned to me.

No. 57. ORDER THEREON, No. 132; dated 1st February 1859.
