No. 1. Read the following letter from G. F. EDMONSTONE, Esq., Secretary to the Government of India, with the Governor General; to the Chief Secretary to Government, Fort St. George, dated Allahabad, the 16th January 1859, No. 35.

Home Department.

SIR,

I am directed by the Right Honorable the Governor General to request that the Madras Government will be good enough to forward to the Government of India, by the earliest opportunity and as soon as obtained, all trustworthy information respecting the late unhappy disturbance which took place at Tinnevely on the 22nd Ultimo, without waiting till the case is disposed of, or Judgment passed upon it.

2. This requisition is not made with any intention of interfering with the action of the Madras Government, but because the event is so serious and so likely to inflame the minds of the Hindoos in other parts of India, that it is necessary that this Government should be able to speak of the matter with confidence as to the facts, should any excitement or dangerous misrepresentation regarding it occur.

Ordered that the following letter be despatched.

No. 2. To the Secretary to the Government of India, Home Department, dated Fort Saint George, 2nd February 1859, No. 133.

SIR,

I am directed by the Right Honorable the Governor in Council to acknowledge the receipt of Mr. Secretary Edmonstone's letter of the 16th Ultimo, requesting that the Madras Government will forward to the Government of India, by the earliest opportunity, and as soon as obtained, all trustworthy information respecting the disturbance which took place at Tinnevely on the 22nd December last.

2. Agreeably to this request, I am desired to transmit the accompanying reports from the Acting Magistrate of Tinnevely and the Extract Minutes Consultation that has been recorded upon them.

3. This Extract will be found to contain a full summary of the events connected with the riot in question, and with one of a similar but less serious character, which occurred in Tinnevely on the 10th and 11th of the same month, as well as the views and orders of this Government on these disturbances. I am instructed to add, that by the latest accounts the town of Tinnevely was perfectly quiet and that the excitement had subsided. It appears to have been altogether local, confined to the town, and not to have extended to the District of Tinnevely or to the adjacent Districts.

Chief Secretary.

Then I suppose it will be enough
to forward them as giving a full

and that up to the latest
date the loan of £100,000

was perfectly complete and

all of it would have been
