Sir,

I have the honor to forward to you copy of a letter, 22nd Ultimo No. 71, in which the Judges of the Sadr Adalat have brought to the notice of this Govt. the great & progressive increase in the number of suits filed in the Court of the District Munsiff of Nundial. Under the emergent circumstances of the case, Govt. have, in accordance with the recommendation of the Judges, sanctioned the establishment of a Third Class District Munsiffs' Court in the Zillah of Nundial — & I am directed to solicit that the sanction of the Govt. of India may be granted for the continuance of the same for a period of eight months, after which time it will be determined whether the additional Munsiff's Court should be permanently maintained or not.

3. The usual tabular statement is forwarded.

Fort St George,
4th October 1859.

Proceedings of the Madras Government, Judicial Department, from 24th September to 4th October 1859.

No. 119. Read the following letter from G. F. FULLERTON, Esq., Deputy Register to the Court of Sudder Udalut ; to T. PYCROFT, Esq., Chief Secretary to Government, dated 22nd September 1859, No. 71.

1. The Civil Judge of Nundial has brought to the notice of the Sudder Udalut, the steadily progressing increase in the number of suits filed in the Court of the District Moonsiff of Nundial, and that, notwithstanding every exertion on the part of the Officers who have presided in that Court, provision cannot be made for the disposal of the increasing business, the consequence of which has been a considerable accumulation of arrears which must every day become larger.

2. From the accompanying table it will appear that on the 1st October 1858, the number of undecided suits on the file was 377; on first of January 1859, or commencement of next quarter, it was 956, and on the first July it had risen to 991. It will also appear that the several Officers who officiated as Moonsiffs by no means neglected their work, but have invariably exceeded the minimum number of suits required to be disposed of by them.

3. Under these circumstances, the Judges would recommend, as suggested by the Civil Judge of Nundial, that Government be pleased to sanction the temporary employment of an additional Moonsiff for a period of eight months. At the end of that time, the Judges will be able to determine whether the permanent appointment of an additional Moonsiff is required to meet the regular work of the Court, or whether the present increase of litigation is merely temporary and to be attributed to circumstances connected with the late changes in the constitution of the Zillah Court of the District.
