Proceedings of the Madras Government, Judicial Department, from 5th to 21st October 1859.

No. 28. Read the following letter from G. F. FULLERTON, Esq., Officiating Register to the Court of Sudder Udalut; to T. PYCROFT, Esq., Chief Secretary to Government, dated 30th September 1859, No. 73.

Mr. Sloan, who was lately dismissed by Government from his situation as Principal Sudder Ameen of Vizagapatam, has, on his application to that effect, been admitted as a Pleader in the Sudder Udalut; and I am directed by the Judges of the Court to communicate for the information of Government, the reasons that have induced them to admit to the bar of this Court one who has been so lately removed by Government from a high Judicial appointment.

2. Mr. Sloan was removed from his Judicial office at Vizagapatam on account of intemperance. Until this charge was brought against him, he stood in high estimation for assiduity, knowledge of his duties, and ability; and the Judges believe there are few, if any, among the Uncovenanted Judicial service, who have proved to be equal to him in the acquirements and talents necessary for the bench. His decisions and conduct hitherto have generally given the Judges satisfaction, and the position of a Pleader is one that depends so entirely for success on individual exertions and conduct, that the Judges have ground to hope, that Mr. Sloan will be stimulated to earn for himself in this situation the reputation which his abilities and legal knowledge afford him the means of acquiring, and they have considered it desirable that this opportunity should be afforded him by his admission to the bar of their Court.

No. 29. ORDER THEREON, 6th October 1859, No. 1368.
