Proceedings of the Madras Government, Judicial Department, from 5th to 21st October 1859.

No. 90. Read the following letter from G. S. FORBES, Esq., Magistrate of Ganjam; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Chetterpore, 3rd October 1859, No. 96.

With reference to the Proceedings of Government, under date the 12th Ultimo, No. 1228, I have the honor to report for the information of the Right Honorable the Governor in Council, that the merchants named in the margin, who are of foreign origin, have, for a length of time, been residing in this District engaged in trade.

Mr. Bouche at Ganjam.
" Do. at Calingapatam.
" C. Vally.
" A. Vally.
" Linares.

2. Mr. W. Knox, the late Acting Magistrate of this District, does not seem to have thought it necessary to grant them Licences under Act XXXIII of 1857, probably on the ground of their long residence in the District.

3. I request the orders of Government in reference to these gentlemen. I think it will be sufficient that they should take out letters of Naturalization as British subjects, if they prefer this course; otherwise, a special exemption should be given them from the provisions of the Act on the ground of their long residence.

No. 91. ORDER THEREON, 21st October 1859, No. 1414.

Under the circumstances represented by the Magistrate of Ganjam, it appears to the Government that the course indicated at the end of his letter should be adopted in respect to Messrs. Bouche, C. Vally, A. Vally and Linares. The Honorable the Governor in Council resolves, therefore, under Section XXIII, Act XXXVII of 1857, to exempt those gentlemen from the operation of that Act until further orders.

(Signed) T. PYCROFT,
Chief Secretary.

I have to request that the late Acting Magistrate of this District does not intend to

to have thought it necessary to grant them licences under Act XXXIII of 1857, probably on the ground of their long residence in the District.

3 I request the orders of Government in reference to these gentlemen. I think it will be sufficient that they should take out letters of naturalization as British subjects if they prefer this course, otherwise a special exemption should be given them from the provisions of the Act on the ground of their long residence.

I have the honor to be

for the present - but they should clearly understand that this exemption is granted only for a limited time, and that they will be required to take out letters of naturalization under Act XXVII of 1857 unless further orders be received from Government.
