*Proceedings of the Madras Government, Judicial Department,
from 22nd to 31st October 1859.*

No. 22. Proceedings of the Madras Government, dated 24th October 1859, No. 1433.

In the Orders passed by Government on the scheme of the Inspector General for the re-organization of the Police of the North Arcot District, his proposal for the relief of the Commissariat Police at Vellore, by the new Constabulary, was authorized.

2. It is remarked, however, that Vellore is, at present, a Military Bazar Station, and that so long as it continues on that footing, the desired change cannot be carried out, inasmuch as by Regulation VII, 1832, the Police authority must be vested in the Officer Commanding and the immediate charge of the Police be vested in the Commissariat Officer, acting under the Commandant's orders.

3. Under these circumstances, the Honorable the Governor in Council has resolved, with the concurrence of His Excellency the Commander-in-Chief, that Vellore shall cease to be a Military Bazar Station, and a Notice to that effect will be published in General Orders. On this Notice appearing, the Military authorities of Vellore will make over charge of the Police to the Inspector General and will co-operate with him in every way towards the introduction of the new system.

4. All matters incident to the change should, as far as possible, be arranged in communication by the Inspector General, the Brigadier and the Magistrate of North Arcot, who will submit to the proper authorities and through the regular channels, any points, on which they require instructions. But this will not delay the transfer of Police authority which is to be made over at once on the Notice appearing in General Orders.

Chief Secretary.
