N.º 435 -a-

Extract from the Proceedings of the Inspector-Gener=al of Jails dated the 13th September 1859.

Read letter of the 15th August and 1st September 1859 from the Sub. Judge of Mangalore

1 In the letter of the 15th August the Sub Judge of Mangalore represents the conduct of the Acting British Assis=tant Dr Cummings in his intercourse with him and with the Officers of the Jail.

2 It does not seem necessary to discuss the misfortunes alluded to in the former part of the letter, against nearly all of which Dr Cummings in his letter of the 1st September, should he could have defended himself. It is sufficient to notice the remarks contained in the 36th Para of the Sub Judges letter.

(Dr Cummings letter)

Para 36. "The last manifestation of ill-
"temper I must refer to particularly. On Monday
"last I was giving my reasons, as usual,
"with the Acting Jailor (whose presence
"is necessary on account of the many
"orders which have to be given,) and in
"the course of a disputation I said that
"the Surgeon wanted him. I sent back
"word that he could not come just
"then.

Sub Judge

"after.

"Then, you be was engaged with the Dr. "
"the Gaol busy with the Doctors, Mr. "
"Thomas came in, & asked after the "
"Police Jailer, and said "Mr. Ringrose "
"sent for you, why did you not come?" "
"I was with Mr. Ringrose's first interpreter "
"then, and he had a note to read and "
"many orders to explain. He cried "
"not come just then, after he was "
"attending me." "Oh, but he must "
"attend on me." "You see with, we have "
"he has finished with me." But "
"never send for any one who is with "
"you, and I do not expect you to "
"send for men who are with me." "
"I have made many misstatements "
"this morning, and he must attend "
"on me. It is no use bothering "
"I have had the command of Jails "
"for so many years. Mr. Ringrose, you "
"understand, it is my order that you "
"will always attend in me every Monday "
"morning, at my inspection," Then "
"said Mr. Ringrose, remember you are "
"under my orders, not under the Doctors "
"and you will take orders from me alone" "
"Dr. Thomas however, regarded their order "
"and persisted in entering into business "
"in such a way that I requested "
"him to leave the Island, and he "
"would not. I left it, and took it "
"Ringrose with me. Dr. Thomas "
"called

"called after three several times; but "
"of course he followed me. On coming "
"out of the next island, he met Dr. "
"Thomas called and he said "Mr. "
"Thompson, I plead leave to leave my "
"business under the charge with the Jailer, "
"& plead to attend upon me." I re- "
"plied "I am very thankful to hear "
"it." "I shall place it in the hands "
"of Brigadier Wight, and will not at- "
"tend any more." I then told him "
"that I (was writing) this letter to get "
"him removed, and he said he was very "
"glad to hear it & thank'd me."

5. On Dr. Thomas' visit to the Jail on the 5th September last, the charges were made by the Sub-Surgeon and he represented his being unable to continue in the charge of the Jail, & his resignation of it in the hands of the Sessions Judge.

6. Under these circumstances the Inspector General of Jails will request the Government to make other provision for the medical charge of the Jail at Mangalore.—

C. Thomas

of Jails
