No. 47. Read the following letter from H. L. ANDERSON, Esq., Secretary to the Government of Bombay; to T. PYCROFT, Esq., Chief Secretary to the Government of Madras, dated 17th October 1859, No. 973.

With reference to your letter, dated the 31st August last, No. 1176, relative to certain Mopla out-laws, I am directed by the Right Honorable the Governor in Council to forward to you for submission to the Government of Madras, copy of a letter from the Political Resident and Commandant at Aden, dated the 23rd Ultimo, No. 1[illegible] on the subject.

From Brigadier W. COGHLAN, Political Resident and Commandant, Aden; to H. L. ANDERSON, Esq., Secretary to Government Bombay, dated 23rd September 1859, No. $\frac{476}{181}$.

I have to acknowledge the receipt of your letter No. 905, dated the 10th Instant, and in reply to state, that I shall take all the precautions in my power to prevent the Moplah out-laws from returning to Malabar.

2. These persons do not proceed from Aden, they go from Jiddah, from Hydramaut, Maculla, Shuhur, and they carefully avoid embarking on vessels which touch at Aden, though I should probably hear nothing of them if they were to call here amongst the crowds of Pilgrims who visit this port annually.

3. I will communicate with the Vice Consul at Jiddah without delay on this subject and either I will go myself or I will send an Officer to Maculla, to confer with the Nukeeb of that place with respect to it, a convenient opportunity will offer when the time shall arrive for making the Electric Telegraph arrangements at the Curia Murias, and it shall not be neglected.

4. I do not, however, perceive that any efforts of mine will wholly prevent these prohibited persons from going to and fro, if they are determined to do so, the more certain method would be to seize them in India and to imprison them there.
