Proceedings of the Madras Government, Judicial Department, for the month of November 1859.

Read the following Telegrams.

No. 85. From the Right Honorable Lord ELPHINSTONE; to the Honorable Sir C. E. TREVELYAN, Governor of Madras, dated 2nd November 1859.

I have just received the following Telegram from the Governor General of Goa. "The rest of the band of robbers on the frontier in a number of 25 have proposed to depose their Arms and to give themselves up to me with the conditions, that I should neither give them up to you nor transport them, and they subject themselves to live in the place that I will designate in my territory. If you agree to this, I will accept their submission, if not, I will continue to follow them up." Message ends. I doubt whether the Goa Government will be able to exercise any efficient control over these persons if they are allowed to reside at large in the Portuguese territory, but before sending a final answer to the Governor General, I should be glad to know the view which is taken by the Madras Government.

No. 86. From the Honorable Sir C. E. TREVELYAN; to the Right Honorable Lord ELPHINSTONE, Governor of Bombay.

"6th November. I have received your Telegram communicating the message of the Governor General of Goa. We think, that the offer should not be accepted, but that the Governor General should be requested to follow up the remaining members of the Bund with all the means in his power."

No. 87. ORDER THEREON, 9th November 1859, No. 1526.
