Proceedings of the Madras Government, Judicial Department, for the month of November 1859.

No. 17. Read the following letter from Brigadier W. G. WHITE, Commanding Vellore ; to T. PYCROFT, Esq, Chief Secretary to Government, Fort Saint George, dated 4th November 1859, No. 270.

I. In acknowledging the receipt of Proceedings of the Madras Government, and Order thereon, dated 8th October 1859, No. 1375, I have the honor to inform you that, I only yesterday received the acknowledgment of Boodia Ronah and Chengah, creditors of Strí Vurdarauz Bung, paid through the Commissioner of Police, Madras.

II. Chengah has been informed that he must institute a suit in a Court at the Presidency for the recovery of his claim of Rupees 209-6-6, as he is now residing at Madras with Strí Vurdarauz Bung.

III. Pursooram has been instructed to sue the Bung in the Munsif's Court for the whole sum, Rupees 36-13-4.

IV. Those named in the margin A and B, have been informed that they must prefer their claims, (if they desire to recover the balance still due) to the Munsif's Court, and to the Village Munsif's Court of Vellore respectively, in obedience to the instructions conveyed in paragraph 2 of your letter under reply.

V. I beg to acquaint you that the disbursements authorized in paragraphs 1 and 2 have been duly paid (C) and the receipts of the different parties herewith enclosed.

VI. It will be seen that I have paid Rupees 1,359-10-6, and hold in deposit Rupees 428-12, which at the expiration of six months, will be transmitted to the Bung, or made over to his creditors if they prove their claims. The Accountant General's Bill was for Rupees 1,788-6-6, leaving a balance of Rupees 428-12, there is a slight discrepancy in the account owing to Potee Goldsmith having been paid 25 Rupees instead of 20, entered in the list sent to Government, but which was subsequently admitted as due to him. In paragraph 2, the difference disputed is Rupees 396-13, and Pursooram's claim is Rupees 36-13-4 which would make Rupees 433-10-4 instead of Rupees 428-12.

VII. I have now to bring to the notice of the Right Honorable the Governor, that when Brigadier Gibson had the Stipend Office, he permitted Strí Vurdarauz Bung to build a four horse stable, the beams of which are embedded in the walls of the Mahal, and cannot be removed without injury; he now demands that the stable be pulled down, and the materials sold, but I have told him that I cannot take on myself to injure the Mahals, and beg to know the wishes of Government on this point. When the Mahal is occupied by another party, they will probably be glad to reimburse the Bung for the stable at a fair valuation, but if Government wish, the building can be pulled down, the materials made over to the Bung and he called on to defray any expense for reparing the building.

No. 18 ORDER THEREON, 11th November 1859, No. 1541.

The Acquittance List received with the above letter, will be made over to Stree Vuradaraj Bunj, in reference to the first two paragraphs of the Order of the 8th Ultimo, No. 1375.

2. Paragraph VI of the Brigadier's letter will be communicated for the information of the Accountant General in advertence to paragraph 4 of the same Order.

3. Referring to the last paragraph of the Brigadier's letter, Government desire him to state what is the value of the materials of the stabling in question, and what would be the cost of repairing any injury to the Mahals caused by its removal.

Chief Secretary.
