Dated 15-11-1875

No. 73. Read the following letter from W. FISHER, Esq., Magistrate of Canara; to the Chief Secretary to Government, Fort St. George, dated Mahgalore, 27th October 1859, No. 47.

With reference to the Orders of Government under date 17th Ultimo, No. 1258, I have again the honor to report on the extra Police Force maintained in the Northern Ballaghaut Talooks of this District, the sanction for which expired on the 13th of this month.

2. The Acting Joint Magistrate, Mr. Ames, states that from the first of November he is able to dispense with the services of 28 men, who will be discharged at the end of the present month. Two have already been struck off the list, and I have, therefore, to request the sanction of Government for the entertainment of 90 men from the 14th to the 30th November, and to request their permission to retain the remainder, 62, in the service, for a further period of six months, or for such portion of this time as I find their assistance absolutely necessary for the preservation of peace in Soopah and Yellapoor.

3. In consequence of the plundering of certain Villages in the Aukola Talook in July last, the Additional Joint Magistrate found it necessary to entertain 22 extra men on the frontier of that Talook, and to appoint two men of the fixed establishment to command them. This small party is still considered highly necessary, and some good results have already followed their appointment, as one or two members of the Bund have been apprehended, and a number of Portuguese subjects have through their Agency been pointed out to and apprehended by the Goa Government. It will not, I hope, be necessary to keep up this force for any time; but the more secure from attack the Soopah frontier becomes, the more necessity arises for protecting the Ankola Villages which escaped whilst the upper Talook was open to the incursions of the Bund. I shall watch carefully for any fitting opportunity for reducing these extra Peons, and those posted in Soopah; but at present, I am under the necessity of asking for the sanction of Government for their temporary maintenance, as on it depends the security of a great length of frontier and the success of the measures adopted by the Joint Magistrates and the Superintendent of Police, to break up and disperse the still existing remnant of the Bund.

The Magistrate of Canara reports on the extra Police Force maintained in the Northern Talúqs of his District, and solicits sanction.

1°. For the entertainment of 90 men from the "14th to the 30th November."

2°. For the retention of 62 men of that body in service, and

2. The sanction of Government for the employment of an extra Police Force of 92, subsequently reduced to 90 men, expired on the 13th October last. In the margin of the second paragraph of his letter, the Magistrate states that 28 men will be struck off on the 1st Instant. Sanction, then, is required for the charge for the 90 men from the 14th to the 31st October last—not November which is probably a clerical error, and it is accordingly granted.

3. Government likewise grant authority for the retention in the service of the remaining (62) sixty-two men—for the maintenance of the force of (22) twenty-two men raised for Ankola—and for the allowances, in addition to their regular pay, assigned to two men on the fixed establishment, placed in command of the new force. The entire charge (379) three hundred and seventy-nine Rupees, will be drawn out of the amount allotted, as extra Police expenditure, in the Resolution of the Supreme Government, recorded in Extract Minutes Consultation, 13th January last, No. 43.
