No. 7. Read the following letter from Lieutenant Colonel J. H. BELL, Chief Engineer; to the Secretary to Government, Department Public Works, dated 4th November 1859, No. 6866.

Enclosures 7.
3 Original letters from the District Engineer of Salem, Nos. 1098 and 669, dated 15th April and 15th October 1859.
1 Copy of letter from the Civil Judge at Salem, dated 24th January 1859.
1 Original letter from Register, Court of Sadr Adálat, dated 17th September 1859.
1 Plan.
1 Abstract Estimate.
1 Report.

I have the honor to submit for the consideration of Government the accompanying Estimate amounting to Rupees 2,650 for the construction (agreeably to standard plan) of a Munsif's Court House at Sankerry Droog in the Salem District, prepared agreeably to the request of the Civil and Sessions Judge and approved* by the Members of the Sadr 'Adálat.

* Dated 17th September 1859.

2. The present Kachari at Yedapaudy† is very much out of repair and its site is very objectionable, the freshes in the Yedapaudy river coming close up to the walls of the building, and the Sessions Judge wishing a new one to be built in a better situation, it has been decided by the Sudder Court that the New Court House shall be erected at Sankerry Droog where the District Engineer reports there are 2 or 3 eligible sites on waste land.

† No. 1098, dated 15th April 1859.

3. The Estimate has been examined, and the rates found sufficient. I have the honor therefore to solicit the sanction of Government for the entry of the estimate amounting to Rupees 2,500 in the Budget of 1860-61.

Transferred to the Judicial Department.

(Signed) J. D. BOURDILLON,
Secretary to Government.

5th November 1859.

No. 8. ORDER THEREON, 21st November 1859, No. 1586.

Government sanction the estimate for (2,650) two thousand six hundred and fifty Rupees, submitted by the Chief Engineer, for building a District Munsif's Court at Sankerry Droog in lieu of that at Yeddapaudy, which is dilapidated at present, and inconveniently situated on the banks of the river. The change of locality, it is observed from the Register's letter, 17th September last, to the Chief Engineer, has been approved by the Sadr 'Adálat on the ground that a very large majority of the suits on the Munsif's file, has been instituted by the population in the neighborhood of the new site.

2. Copy of these Proceedings will be communicated to the Collector of Salem, with instructions to secure the site selected by the Civil Judge.

(Signed) T. PYCROFT,
Chief Secretary.
