*Proceedings of the Madras Government, Judicial Department,
for the month of November 1859.*

No. 35. Proceedings of the Madras Government, dated 24th November 1859, No. 1598.

In the month of May last, Mr. W. Holloway, Subordinate Judge of the Zillah of Calicut, was summoned by a Telegraphic message to Madras in view to his being employed on a certain investigation, then contemplated by Government.

2. On further consideration and communication with Mr. Holloway, it was not thought advisable to prosecute the investigation above referred to. A Commission for inquiring into the arrangements necessary for the amalgamation of the Supreme and Sadr Courts having, however, been appointed about that time, Mr. Holloway was nominated its Secretary. He has discharged his duties in that capacity with much industry and intelligence, and the Government are informed, to the complete satisfaction of the Committee.

3. In addition to his services under the Commission, Mr. Holloway has also been engaged in other duties. He was deputed with the Consulting Engineer for Railways, Captain Johnston, to inquire into the circumstances connected with the robbery of the Railway money at Vellore. The researches of these Officers threw much light on that affair, and gave the clues which have since been more fully followed out by the Inspector General of Police and the Law Officers of Government.

4. Mr. Holloway was likewise charged with the onerous and unpleasant duty of appearing as prosecutor on behalf of Government in the investigation into the conduct of Mr. C. W. Reade, Agent and Collector of Vizagapatam, held under Act XXXVII, 1850, and acquitted himself in a manner fair and just both towards Government and the accused.

5. The Judicial Commission have now concluded their labors and Mr. Holloway has been appointed to an Acting office in the Provinces. The Honorable the Governor in Council, however, considers him entitled to some remuneration for the period that he has been employed as above described, both in requital of his services, and to compensate him for the expense of breaking up his establishment at Calicut, and of his residence at the Presidency.

6. Resolved, therefore, that a deputation allowance of Rupees (300) three hundred per mensem be passed to Mr. Holloway from the date of his giving over charge of the Sub Court of Calicut, to that of his joining his Acting appointment.
