No. 2728.

Extract from the Minutes of Consultation under date the 18th December 1858.

Read the following letter from Lieutenant Colonel E. LAWFORD, Officiating Chief Engineer ;
to W. H. BAYLEY, Esq., Acting Secretary to Government, dated 9th December
1858, No. 6155.

SIR,

Sanctioned in Extract Minutes Consultation No. 2301, dated 10th December 1857.

Extract Minutes Consultation No. 1286, dated 3rd July 1857.

Extract Minutes Consultation No. 1745, dated 14th September 1857.
„ 1539 7th August 1857.

In acknowledging the receipt of Extract Minutes Consultation No. 2630, dated 6th December 1858, I have the honor to state that as the Jail estimated at Rupees (30,000) thirty thousand, to be built at Ootacamund was to be attached to the Principal Sudder Ameen's Court, it was considered as designed exclusively for Prisoners amenable to that Court, and although Mr. Rohde stated that he intended it "to suit any class of Prisoners," it was not then supposed that European Convicts were included as a separate Prison was to be built for them, and in the Budget Report for 1858-59, Page 14, the term "Native Prisoners" is expressly used.

2. The Extract Minutes Consultation No. 428 of the 1st April 1858, has not been communicated to this Office so that Mr. Rohde's latter views were not known, and as Colonel Strachey's letter of the 28th September 1858, conveys sanction for a Prison "for Europeans undergoing penal servitude," it was feared that some misconception might have arisen as to the nature of the Building which had been sanctioned.

3. The Prison now sanctioned will of course be equally available for the mere confinement of Europeans and Natives, but as a Penitentiary for the former it seems unsuitable, and on such grounds, I stated that the Plan and Estimate would require considerable revision.

Referred to the Judicial Department with reference to Extract Minutes of Consultation in that Department, dated 25th November 1858, No. 1671.
