Proceedings of the Madras Government, Judicial Department, for the month of November 1859.

No. 45. Read the following letter from Lieutenant Colonel J. H. BELL, Chief Engineer; to the Secretary to Government, Public Works Department, Fort Saint George, dated 22nd November 1859, No. 7524.

No. 90, *dated* 11*th January* 1859.

With reference to the Orders marginally quoted, I have the honor to forward the plan for a new Court House for the Sudder Adalut, with a revised Estimate thereof, amounting to Rupees 1,10,300.

2. The plan having already received the approval of the Judges, I need not refer it to them again and would only state my opinion that the arrangements appear perfectly suitable and convenient, that the architectural character of the building is appropriate, and that the dimensions of the foundations and superstructure as well as of the various rooms are correct.

3. The rates on which the present Estimate is framed are those which prevail at present and therefore there is every reason to believe that the work will be completed within the specified amount, the period allowed by the Civil Architect for its construction being two years.

4. The site of the proposed sanction is the same as that now occupied by the dilapidated Court House, for the removal of which adequate provision has been made.

5. If approved by Government, I would request permission to enter the Estimate in the Budget List No. 1.

Transferred to the Judicial Department.

(Signed) J. D. BOURDILLON,
Secretary to Government.
