No. 12. Proceedings of the Madras Government, dated 3rd December 1859, No. 1627.

Lieutenant C. S. Hearn, 26th N. I., having been appointed second in Command of the Ganjam Sibandi Corps, resolved that staff pay at the rate of (100) one hundred Rupees per mensem be passed to him, while so employed. The appointment will be reported for the confirmation of the Government of India.

Chief Secretary.

No. 13. To the Secretary to the Government of India, dated Fort Saint George, 3rd December 1859, No. 1628.

On the 11th January last, the Government of India sanctioned the augmentation of the Goomsur Sibundies from 2½ to 4 Companies, comprising 400 Privates and 80 Native Officers. The Corps has since that continued under the Command of the Military Assistant to the Government Agent in Ganjam, who is the only European Commissioned Officer attached to it.

Proceedings, 18th to 24th June 1859, *Nos.* 42 *and* 43.

2. In his letter of the 30th May last, the Government Agent, in reporting the return of the Sibundies from the Sumbulpore country preparatory to the withdrawal of the 43rd Native Infantry stationed at Russelcondah, gave it as his opinion that it was absolutely necessary that a second in Command should be appointed to the Sibundies. He could not recommend their remaining to garrison Goomsur under a single Officer.

Proceedings, 22nd to 31st October 1859, *Nos.* 23 *and* 24.

3. This Officer, Mr. Forbes represented, has Magisterial and Criminal functions, as well as Civil causes, which occupy a great part of his day. It is not only desirable for the sake of discipline, that a second in Command should assist him in the charge of the 4 Companies, but a matter of importance, that, on the occasion of actual service being required from the Sebundies, the Officer in charge should not be entirely alone, and the men left without a Commander in the event of accident or illness befalling him.

4. The 43rd M. N. I., will be withdrawn from Russelcondah on the 1st Proximo, and the post will then be held by Sibundies only. Under these circumstances a second in Command has been appointed on a Staff allowance of Rupees (100) one hundred per mensem, and I am instructed to solicit that the measure may be sanctioned by the Supreme Government.
