No. 42. From R. R. COTTON, Esq., Civil and Session Judge of Madura; to T. PYCROFT, Esq., Chief Secretary to Government, Judicial Department, Fort Saint George, dated 23rd November 1859, No. 391.

1. I have the honor to submit for the consideration of Government, the accompanying application of Native Surgeon Mr. Yas Anthony, for such remuneration, as the Government may think him deserving of, for the extra duties performed, and expenses incurred, by him, while in charge of the Zillah.

2. Mr. Yas Anthony was first put in Medical charge of the Zillah, on the 12th October 1858, and conducted the duties until 30th November. Mr. J. Colebrook the Zillah Surgeon being absent on leave.

* *22nd January* 1859. *A.*

† *5th February* 1859. *B.*

‡ *2nd March* 1859. *C.*

3. He applied* through the Superintending Surgeon of the division, for remuneration for the extra duties performed; but was informed† by the Director General, that the Government, having declined to sanction the claim of another Native Surgeon, for *travelling* and *halting allowance*, his application could not be forwarded to Government.

4. He again addressed‡ the Superintending Surgeon, pointing out, that his case, and that quoted by the Director General were not analagous; that in the latter, a claim for "*travelling and halting allowance*" was made by Mr. Native Surgeon J. Rajatheran, for performing one of the legitimate duties of his appointment; while the duties that had devolved *on him*, and for which he asked remuneration, were *special*, and *distinct* from those, he, as a Native Surgeon was expected to fulfil; that he had conducted *the entire Medical duties of the Zillah*, in the absence of the Zillah Surgeon, and that the remuneration he solicited, would not involve any extra expence to the State. Subsequently on the departure of Mr. J Colebrook, he was again, on the 23rd July, placed *in entire Medical charge of the Zillah*, and conducted the duties of it, till relieved on the 11th instant, by Dr. Wilson.

5. Not having obtained any reply to his letter from the Superintending Surgeon, he has now, for the reasons assigned by him, requested me to submit his case for the favorable consideration of Government, which I have great pleasure in doing, and also, in bringing to it's notice, the manner in which Mr. Anthony has conducted his duties, during the period he has had the entire Medical charge of the Zillah, extending over a period of five months, which has procured for him, the friendship, and respect of the entire station, Europeans and Natives. He has been most regular, and attentive in his attendance; not only at the Jail, Civil, and Detachment Hospitals, but on his out-patients, European and Native; his judicious treatment, and promptitude in answering every call upon him, though at considerable expense to himself, can, and I am sure, would willingly, if necessary, be testified to by all, and under such circumstance, I would respectfully solicit for him, from Government, some remuneration for the extra expenses incurred, and duties performed by him, while in Medical charge of the Zillah; I do so with confidence as no extra expense will be incurred by the State, the Civil allowances not having been drawn.

P. S. The enclosed are Mr. Anthony's own composition and writing.

Referred for the report of the Civil Auditor.

No. 43. From W. WATERFIELD, Esq., Acting Civil Auditor; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 6th December 1859, No. 1389.

In obedience to the Order of Government, dated 2nd instant, Judicial Department, referring for my report a claim preferred by Mr. Cotton, Civil Judge of Madura, on behalf of Mr.

Yas Anthony, Native Surgeon, for remuneration on account of the extra duties performed and the expenses incurred by him while in charge of the Zillah of Madura during the absence of Assistant Surgeon J. Colebrook, I have the honor to state that there are no rules in this Presidency for the grant of any extra allowance to Native Surgeons who may perform extra duties: nor are there any orders excluding this class of Uncovenanted Servants from receiving the same consideration as Officers in the subordinate Medical service. The latter when placed in independent Medical charge of a Zillah, while also performing their own Military duties, are (under the Order of Government of India, dated 18th December 1856, No. 57, Financial Department,) entitled to an extra allowance of 50 Rupees a month in addition to the pay and allowances they draw from the Military Department.

No. 44. ORDER THEREON, 17th December 1859, No. 1680.

The Civil and Session Judge of Madura solicited the favorable consideration of Government, to the case of Native Surgeon Yas Anthony, who performed the duties of that station during the absence of Assistant Surgeon Colebrooke, on two occasions. He likewise brought to the notice of Government the satisfactory manner in which the Native Surgeon had conducted the duties which devolved upon him, and intimated that he had incurred considerable expense.

2. The Civil Auditor states that there is no rule excluding Native Surgeons from receiving the same consideration as officers of the subordinate Medical service, who, when placed in Medical charge of a Zillah, draw an extra allowance of 50 Rupees in addition to the pay and allowances they may receive in the Military Department.

3. The Honorable the Governor in Council is pleased, under these circumstances, to authorize the grant of deputation allowance to Native Surgeon Yas Anthony at the rate of (50) fifty Rupees per mensem for the period in question—no extra charge being thereby incurred.

4. The Government notice with great satisfaction the high testimony borne by Mr. Cotton to the merits of the Native Surgeon.
