Fort St. George, Judicial Consultation, 8th February 1859.

No: 67. Read the following letter from the Inspector General of Ordnance and Magazines; to the Chief Secretary to Government, dated 4th February 1859, No. 668.

SIR,

With reference to the orders of Government in the Judicial Department, No. 60, dated 18th January 1859, on the requisition of the Chief Commissioner of Mofussil Police for 100 Carbines, &c., required for the use of the Recruiting Preparatory Class of Police in the District of Arcot, I have the honor to state, for the information of Government, that there are not, at the present moment, a sufficient number of Carbines of the required description, viz., "Cavalry Percussion Pistol Bore" of Government stock in the Grand Arsenal to meet the requisition alluded to. There are however some of the same description belonging to the late Nabob, which are held in deposit, and cannot therefore be made use of, unless Government sanction their being taken over by the Ordnance Department, in communication with Mr. Dale, the Receiver of Carnatic Property, and the orders of Government on this point are solicited.

2. The other articles required by the Chief Commissioner of Mofussil Police can be supplied by the Principal Commissary of Ordnance.

No. 68. ORDER THEREON, No. 174; dated 8th February 1859.

Resolved that the foregoing communication be referred to the Receiver of the Carnatic Property, who will be requested to state, in advertence to para. 3 of Extract Minutes Consultation No. 846, dated 31st December last, when the arrangements therein referred to respecting the Ordnance Carriages, Swords, and Arms belonging to the late Nawaub, will be carried out.
