No. 260.

Extract from the Minutes of Consultation, 21st January 1859.

Read letter from Captain Fasken for the Inspector General of Ordnance and Magazines, 23rd December 1858, No. 595; to the Secretary to Government, Military Department.

With reference to Extract Minutes of Consultation No. 1659, dated 22nd November 1858, in the Judicial Department, approving of the arrangements proposed in my letter No. 431, dated 30th October 1858, I have the honor to inform Government, that I have selected Sub-Conductor Hyde for the charge of the mountain Train of the Malabar Police Corps, whose long experience at the Artillery Depot of Instruction, as an Instructor, has rendered him well qualified for the above appointment, and I now solicit the sanction of Government for an extra Sub-Conductor being added to the Establishment during the employment of Sub-Conductor Hyde, with the mountain Train.

2. In order that some remuneration be granted to the above Warrant Officer for the charge of the Ordnance, Ordnance Stores, Ammunition &c., and preparing Returns and rendering accounts correctly to this Office, I would recommend that a monthly sum of Rupees (15) Fifteen for Stationery, and the usual Horse Allowance of Rupees (30) Thirty per mensem, authorized in the Pay Code at Page 382, Head "Horse Allowance," para. 5, be disbursed to him, and trust that Government will accord sanction to the same.

Referred for the consideration and report of the Military Auditor General.
24th December 1858.

Report of the Military Auditor General, 17th January 1859, A.

Letter from the Inspector General of Ordnance and Magazines, to the Secretary to Government, Military Department, dated 23rd December 1858, No. 595.

The Military Auditor General has the honor to return the letter as per margin, referred for his report by order of Government of the 24th ultimo, and to state that, as the Pay and Allowances of Sub-Conductor Hyde, whom the Inspector General of Ordnance proposes to appoint to the charge of the Mountain Train attached to the Malabar Police Corps, will form an extra charge not provided for in the authorized cost of the Corps; His Lordship in Council may deem it expedient to submit the appointment for the sanction of the Supreme Government, as well as the application "for an extra Sub-Conductor being added to the Establishment during the employment of Sub-Conductor Hyde with the Mountain Train"

2. The Stationery Allowance of Rupees 15 per mensem, applied for as a remuneration to the Sub-Conductor, for the charge of the Ordnance, Ordnance Stores, Ammunition &c., and for preparing Returns and Accounts, may perhaps receive the sanction of Government.—But the Horse Allowance of Rupees 30 per mensem, if granted at all should only be granted when marching, or in the Field, with reference to the rule quoted by the

Inspector General of Ordnance, authorizing the allowance to Conductors generally under similar circumstances.

Referred to the Judicial Department for consideration.
