Fort St. George, Judicial Consultation, 15th February 1859.

No. 25. Read the following letter from M. MURRAY, Esq., Magistrate of Cuddapah; to T. PYCROFT, Esq., Chief Secretary to Government, Judicial Department, Fort Saint George, dated 9th February 1859, No. 8.

SIR,

1. I have the honor to report for the information of Government that I have this morning received a communication from the Head of Police of the Doovoor Talook in this District, intimating to me that on the morning of the 6th Instant, a Village named Kolekoolah in the Doopaud Talook in the Kurnool District, had been plundered by the Rohillahs and burnt. The Sowars were defeated and one named Mohomed Aneef killed, two wounded.

He received the information from the Head of Police Chagalmurry, in Kurnool District.

2. I enclose a copy of a letter from Captain J. Wilson, Commanding the 3rd Extra Regiment stationed at Cuddapah, for the consideration of Government, and would beg to suggest that an additional force be forwarded to Cuddapah. With reference to my letter of the 6th Instant, No. 7, I have the honor to state, that I consider it necessary for the protection of the District to collect a body of armed Cuttoobadies to be stationed at the different passes where they might be found very useful, trusting that Government will sanction the same as their services are emergently required.

P. S.—The Treasure is stated by the Accountant General to be urgently required by the Commissioner of Mysore.

(Signed) M. MURRAY, *Magistrate.*

From Captain J. WILSON, Commanding 3rd Extra Regiment N. I.; to M. MURRAY, Esq., Collector of Cuddapah, dated 8th February 1859, No. 34.

SIR,

I have the honor to acknowledge the receipt of your letter No. 105, dated 5th February 1859, and in reply to inform you, that I have made the same over to the Officer Commanding Cuddapah, with a view to the requisition for the Treasure guard therein applied for being complied with.

There, perhaps, may be some difficulty in furnishing the second guard applied for in your letter under reply as a large part of the Regiment, viz., 200 men marches this afternoon towards the Kistnah river on Field Service, this will leave only 269 men for duty at Regimental Head Quarters from which must be deducted a large proportion, viz., 44 men sick, and 13 men employed in drilling Recruits.

Under present circumstances you may perhaps not consider it prudent to weaken the Garrison of Cuddapah by detaching the Treasure party to Bangalore, but if you are of opinion that the Treasure should be forwarded to Bangalore, I have no doubt the Officer Commanding Cuddapah will meet your wishes on that point.

(True Copy.)

(Signed) M. MURRAY, *Collector.*

No. 26. ORDER THEREON, No. 192; dated 12th February 1859.

In regard to the Magistrate's proposal that he be allowed to arm a body of Cuttoobadies to be stationed at the passes, it is observed that authority to take that measure, if necessary, was given him in Extract Minutes Consultation of the 10th Instant.

2. The Accountant General will be requested to communicate with the Commissioner of Mysore, in view to the Treasure being, if possible, brought down from Cuddapah to Bangalore, under an escort sent out from the latter place, so that the force now at Cuddapah may not be weakened on that account.

Chief Secretary.

done for the year.

There appears to be
unnecessary delay in
preparation -
to night we will
have been informed
- what business of

troops have been ordered
but of course at a great
cost in time but it is
found to be a great
thing.

If the addition of more
troops to the last order
was proper - the magistrate
has power to employ
the militia.

3.
It is improper to
appoint more troops
we are fully informed
as to what has been
done already about
troops & the knowledge
magistrate should desire
to telegraph daily as
to the movements of his
troops. I think

but not the make a
better representation
to the best of their power that
measures be taken - by which

be prevented for the future
by the anticipation of the

No there is nothing but it
is very much to be seen
the

the very small detachment

a treasure & cart whilst the
Robbers are within our

My dear Pym

I think the best plan
under the circumstances - is for me
to write to the Com^r of my corp. (and
I will do so now directly) and tell
him that there is difficulty in finding
escort at Cuddapah & that if he is
still in need of the escortance to
place himself in communication
with Mysore & to send escort
from Bangalore to bring it thither.

He does want the escortance.
Campbell's 3 Co's was a great help
in Com^r heading. Yours very truly
