No. 23. Read the following letter from Colonel C. E. FABER, Chief Engineer, D. P. W.; to the Secretary to Government, Public Works Department, Fort Saint George, dated 23rd February 1859, No. 10.

SIR,

In recommending the annexed application from the Acting Civil Architect, for a copy of the large Plan of Madras, that Officer not being included in the 18 copies already sanctioned* for distribution to Public Offices, I have the honor to request the authority of Government to issue the supply.

* Vide Extract Minutes Consultation, No. 75 of the 19th January last.

From Captain H. W. HITCHINS, Acting Civil Architect, P. D.; to the Chief Engineer D. P. W., Fort Saint George, dated 15th February 1859, No. 126.

SIR,

1. I observe that the Civil Architect's Office is not mentioned in the list of Departments, which are to be supplied with a copy of the large Plan of Madras and its suburbs, prepared in your Office.

2. You are aware that upon a division of the late Presidency Superintending Engineer's Office, the Collector of Madras transferred all the Revenue Works of his Collectorate to the Civil Architect, which makes it very desirable, that this Office should be furnished with a copy of the Plan above alluded to, and I beg that you will do me the favor of sending me one at your earliest convenience.

(A true Copy.)

Chief Engineer.
