No. 31. Read the following letter from H. L. ANDERSON, Esq., Secretary to Government of Bombay; to the Secretary to the Government of Fort Saint George, dated 9th February 1859, No. 485.

Judicial Department.

SIR,

I am desired to transmit to you the accompanying copy of a letter from the Inspector General of Prisons, dated 29th January last, No. 123, with enclosure, and to request you will be so good as to inform this Government of the wishes of the Right Honorable the Governor in Council of Madras in regard to the forty-six prisoners alluded to.

From A. BETTINGTON, Esq., Inspector General of Prisons; to the Judicial Secretary to Government, Bombay, dated Poonah, 29th January 1859, No. 123.

SIR,

I have the honor to forward for submission to Government an original Return (to be returned at convenience) from the Session Judge of Dharwar.

46. 2. It will be noted that of the whole number of these Convicts forty-six belong to the Madras Presidency, tried and sentenced for offences committed within that territory.

3. They were sent to Dharwar, because it was impossible at the time to send them to the Madras Coast or lodge them in any secure place of confinement in Upper Canara.

4. I request the instructions of Government as to the disposal of these Convicts, many of whom, it will be observed, are under sentences for long periods. Are they to remain at Dharwar or be transferred to the District to which they properly belong, if they are to be retained at Dharwar, is the Madras Government to be debited for the charges of their maintenance.

To T. Pycroft Esqre
Chief Secretary to Government
Fort Saint George

Sir,

Para 1. As directed in Para 36 Ex. tract Minutes of Consultation dated 28 January 1859, I have the honor to report, that the Pagoda Servants are very numerous, and that I was not able to bring a charge of rioting, or stone throwing, against any one of them. The Pagoda has several entrances, and a great number of people got into it; had the Servants even the wish to do so they could not have turned out the intruders. On being severally questioned, the Servants, of course, either declared they were absent that day

The conduct of the head of police
appears to have been very bad. He was
certainly to be degraded & removed from
immunity of not altogether acquiesced
the same.

I consider that the Head of the
Police really merits dismissal.
Nothing could be worse than his
conduct as revealed in the concluding
part of Mr. Seings letter.
I would suggest him
