No. 115.

Extract from the Minutes of Consultation under date the 19th February 1859.

Read the following Extract from a Despatch from the Right Honorable the Secretary of State for India, No. 23 of 1858, dated the 8th December.

Letter, dated the 23rd August 1858, No. 113. }
Advert to the decision of the Court in the case }
of Captain W. E. Hay that the rule under }
which a Civil Pension is merged in the salary }
of Office, should also apply to Military Pen- }
sions, and submit, for decision, a question }
raised whether the rule is to be held to apply }
to the subordinate grades of Non-Commission- }
ed Officers and Privates. Correspondence with }
the Chief Commissioner of the Punjab, and }
the Government of Madras, on the subject, }
forwarded.

Para: 6. The rule referred to in these Pa-
pers, under which the Pensions of Retired
Civil and Military Servants merge in the
salary of Office, in the event of their re-
employment was not intended to apply to Mili-
tary Pensioners of the ranks of Non-Commis-
sioned Officers and Privates.

7. Pensioners from those grades are of two Classes, viz., men who have been discharged after completing their prescribed period of service, and men who have been pensioned on account of unfitness for further Military duty. The former Class are entitled to their pensions as matter of right, and the latter are pensioned, because the public interests are promoted by their discharge. In either case the Pensioners may be well qualified for other than Military duties, and for situations in which their employment could in no way prejudicially affect the interests of their equals in rank in that branch of the service to which they had belonged, men of these grades will therefore be exempt from the operation of the rule referred to.
