Extract from the Proceedings of the Officer in charge of the Central Circle, dated 15th March
1858, No. 8112.

Letter from H. D. E. DALRYMPLE, Esq., Magistrate of Police; to Colonel C. E. FABER,
Chief Engineer, dated 11th March 1858, No. 9.

SIR,

* From H. D. E. Dalrymple, Esq., to Major K. Worster,
dated 23rd February 1858.
From Major K. Worster, to H. D. E. Dalrymple, Esq., dated
3rd March 1858.

With reference to the correspondence here-
with forwarded* I have the honor to request
the sanction of Government for the additional

buildings required at the Vepery Police Court therein specified.

Letter from H. D. E. DALRYMPLE, Esq., Magistrate of Police; to Major W. K. WOR-
STER, Barrack Master, Fort Saint George, dated 23rd February 1858, No. 7.

SIR,

I have the honor to bring to your notice that besides the repairs now in progress at this
Office additional accommodation is much required.

Owing to the limited space in this building, which was until lately a private dwelling house
it is not possible to shelter the large number of people, chiefly natives who are brought up by
the Police in the mornings and likewise those who resort to the Court on business. This in-
convenience may be remedied by the erection of a shed of about thirty feet in length and twenty

in width to the north or west of the Court with a covered way leading to it. A tiled building with a substantial ground floor would satisfactorily meet the object in view.

The Constable's quarters, kitchen and godowns besides thorough repairs, also require alterations as specified in the margin.* It is also absolutely necessary to have a Privy for the use of the people in attendance at the Office and also a Lock-up house for Prisoners.

* A Verandah on three sides of the Constable's Bungalow and also two additional windows and one door.

Letter from Major W. K. WORSTER, Barrack Master ; to H. D. E. DALRYMPLE, Esq.,
Magistrate of Police, Vepery, dated 3rd March 1858, No. 181.

SIR,

With reference to your letter of the 23rd Ultimo, requesting that a shed may be constructed for the accommodation of Natives who may resort to the Court on business also a Verandah for the Constable's Quarters, I have the honor to state that for new buildings, the previous sanction of Government must be obtained for their construction through the Department Public Works agreeable to para. 12, Building Regulations.

Resolved that a copy of the foregoing letter No. 9 dated 11th Instant, from the Magistrate of Police at Madras, together with the original correspondence therein enclosed be forwarded to the Civil Architect with a request that he will prepare and submit to the Central Office in communication with Mr. Dalrymple, a Plan and Estimate for the additional buildings proposed to be erected in connection with the Vepery Police Court.

(Signed) E. LAWFORD, Major,
In Charge Central Circle.

Letter from 2nd Captain G. WINSOM, Acting Civil Architect Presidency Division; to
the Chief Engineer, dated 16th November 1858, No. 653.

SIR,

With reference to the orders conveyed to me in your letter No. 8112, dated 15th March 1858, I have the honor to forward the accompanying Plan, Estimate and Abstract amounting to Rupees (3,110) three thousand, one hundred and ten for work as per margin.

Erecting a waiting shed, covered passage lock-up house, Privies and General Privies and also with Verandah for the Constable's quarters at the Vepery Police Court, drawn up in communication with the Magistrate of Vepery Police.

Para. 2. I beg to state that the above work can be completed within 4 months.

Referred to the Judicial Department. It is observed that many of the works proposed cannot be urgently required.
