ORDER THEREON, No. 43; dated 13th January 1859.

No. 1506.

FROM T. PYCROFT, Esq.,
Chief Secretary to the Government of Fort St. George,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA.

Dated the 25th October 1858.

SIR,

I am directed by the Governor in Council to state that since the 1st May, last year, this Government have, on considerations connected with the peace of the country, been obliged to increase temporarily the strength of the Police in several of the Districts of this Presidency by the entertainment of additional servants or by calling out on payment of batta the Cuttobadi and other local Police holding lands on tenure of Police service under this Presidency. They did not think it necessary to trouble the Government of India with references on these various occasions, both because it was not possible to defer the entertainment of the bodies in question until after the receipt of sanction, because it was not practicable to decide beforehand in the several cases what would be the extent, nature and cost of the aid required, which, moreover, has fluctuated much from month to month according to circumstances, and because it appeared to them that under the peculiar occurrences of the past and present eventful years, the Supreme Government would be prepared to allow this Government a liberal discretion on the point, and would prefer receiving one general report of the extra establishments that had been entertained, rather than separate communications from time to time.

2. I am now directed to submit the accompanying Abstract Statement shewing for each District in which the Police has been augmented, the particulars of the additional force kept on foot and aggregate charge. It will be seen that the total charge for the whole period, to the latest date for which accounts have been received in the Audit Office, amount to Rs. 54,660-9-6, and that the cost for the last month is Rupees 5,235.

3. It will be remarked that the heaviest expense has been incurred in the Districts bordering the Hyderabad frontier—Bellary, Guntur, Masulipatam, Kurnool and Rajahmundry, as also in Canara in the north of which District the disturbances excited by the Sawunthwarree brothers have not yet been fully put down.

4. I am desired to solicit the sanction of the Government of India to the Statement now furnished, as also to solicit discretionary authority for maintaining the force within the limit of expense incurred in July last, on the understanding that it will be dispensed with as quickly as the state of the country will permit. Fortunate as this Presidency has been, under the Divine Providence, in escaping the calamities which have desolated some other parts of India, it could not be expected that the occurrences which befel elsewhere would not lead to excitement in the Madras Provinces and particularly those nearest the scene of outrage, which required and will for some time longer require to be met with more than usual measures of precaution.

5. The Statement, it is to be remarked, does not include the Sibbundies which have been separately reported on in my letter of the 15th May 1858, No. 634.

I have the honor to be,

Sir,

Your most obedient Servant,

Fort Saint George,
 25th October 1858.

Chief Secretary.
