No. 1119

Extract from the Minutes of Council, 22nd March 1859

Read and approved by the Council for the Inspector General of Ordnance and Magazines, 18th March 1859, No. 1119, under Secretary to Government Military Department

The Commandant of the Andaman Islands Corps has submitted an Indent for 3 Pistol Boxes, and a supply of Ammunition and Accoutrements for the European portion of the Sibs, and as the description of Arms asked for cannot but be very useful under the peculiar circumstances in which the arms must be placed on their arrival at the Andamans, and as it is necessary that they should be armed with the best description of defence weapons, I beg to recommend sanction being accorded to the issue of the Articles free of charge. (No Account should be borne on the Rating of the Corps, and duly accounted for to the proper authorities.)

Sanctioned as proposed.
