that person could not be prevailed upon to undertake the office under 20 Rupees a month. I can never account for the great inconvenience resulting from the want of such an Officer, or rather from the nature of that office being of necessity entrusted to one whose time is already more than well employed, occupied with his other duties, viz., those of Sheristadar and Head Writer; and can only say that Mr. Bird was so to the interest, of late, in the business of his Court; added to which, I have no hesitation in stating, that, from what I have heard and seen at Ootacamund there is every probability of its going on increasing even in a still greater ratio. And such being the case, I venture to indulge a hope that the Court of Sudder Adalat will not object to recommend their decision of the 27th August 1855, and send on Mr. Bird's application to Government with a favorable recommendation.

1. Having your interest next to this station, to the case of Sessions cases committed for trial before you by any you had experience of the public inconvenience which is felt by there being no Vice-Chancellor in the Sub Court at Oudh, I have the honor to bring the subject officially before you in the hope that you may be disposed to lay the matter before Government, through the usual channel, with a view to the selection of a Ministerial Officer of the grade I desire for the extra-judicial of the Court.

2. On the 21st Jan. 1887, I pointed out to you, that the establishment sanctioned on the 25th February 1886 for the then Principal Sudder Ameer's Court, was insufficient, and inadequate for the efficient performance, of the duties now falling upon it, and the experience of the past 7 months confirmed me in this belief. The Court of Sudder Judges declined on the 27th August 1886 to forward any recommendation for the increase of the establishment, on the grounds that the circumstances of the Court had not altered since its establishment. I beg however respectfully to point out that the work of this Court is steadily increasing; that whereas in 1878 there were 1444 for the years of 1887 before the late Principal Sudder Ameer's Court, 250 Civil Suits were filed last year between the 10th June and the 31st December, and 111 Criminals have been during presented and tried this year from the 1st January to the 12th December; that these Criminal cases have been committed by one to the Sessions Court the year 1887, and during four has ended in suspension with a view to dismissal. Added to this 52 cases of Civil Suits have been investigated and disposed of since the beginning of the present year, and of them 27 having judgments to be executed by the Nazam, and 25 others. It must be plain

3. The said members of Court presiding Chief and General, have further been ordered to cause to be furnished to the Court. The Officer receives a salary of 100 Rupees per annum, in consequence of his acting in the double capacity of Head English Writer and Interpreter of the Court. To make him a more amiable for the important duties of a Naib, it is there said he was to have been designated, and so also to exact from him a duty he was not capable of performing. I have to inform Naib, on account of the fact to the Court on whom I can bestow to him the responsibility of a Naib, and, therefore, in bringing the matter open and to come I trust you may be able to recommend, for reference to Government, that the want of his present duties be taken away and

6. The issuance of a check, which is to be payable to the order of a Child Relief Worker (the Child Relief Worker is not authorized for this County, State and/or Territory) I undertake to certify to the appropriate authority for the County, State, Territory, Region or post mentioned.
