Fort St. George, Judicial Consultation, 19th April 1859.

No. 26. Read the following letter from P. GRANT, Esq., Acting Magistrate of Malabar; to T. PYCROFT, Esq., Chief Secretary to Government, Judicial Department, Fort St. George, dated Calcutta, 25th March 1859, No. 105.

Sir,

In accordance with the direction of Government contained in Extract Minutes of Council, dated 22nd December 1858, four Gunners, to be raised to the rank of Corporals, were to be appointed to the Mountain Train, for the purpose of instructing the European detachments in the use of the pieces of Ordnance; the Warrant Officer under whom they were to act was to be placed under the Command of the Senior Officer in Military Command at Malabar.

From these four men, two have been sent to the Mountain Train, but that the Senior Officer in Command has refused to take charge of them, no orders having been received by him about them and no room being available for their accommodation.

I beg therefore that Government will address the proper Military authorities on the subject, with a view to its early settlement.

From Lieutenant R. LAYLE, R. O. at Head Quarters M. P. Corps; to P. GRANT, Esq., Acting Collector of Malabar, Calcutta, dated Charleston Malabar, 25th March 1859, No. 20.

Sir,

I have the honor to enclose copy of a letter from the Acting A. A. General Madras Artillery, regarding the 6 Corporals acted in the margin appointed to the Mountain Train Malabar Police Corps, from which it appears they are to be brought on the strength of the Malabar Police Corps.

These men reported their arrival to me as Senior Officer at Head Quarters Malabar Police Corps according to instructions given to them, but drawing at the intention of Government and from their order expressed in M. C. No. 1700 dated 22nd December 1858, I considered it my duty to give them over to the charge of the Senior Officer in Military Command at Malabar; he, however, declined to take charge of them, not having received any order or communication concerning them, and not having any accommodation for them. I have the honor to request therefore that you will kindly refer the matter to Government, and request further instructions, and if it be their intention to place these 6 Corporals under the command of the Senior Military Officer at Malabar, orders may be given to him, through the Military Department, to that effect. If they are to be attached to the Malabar Police Corps, ought they not to be placed on the Civil Establishment, receive Civil allowances, compensation in case of sickness, and so on; there will be great difficulty and confusion in drawing Military pay and rations.

From 2nd Captain H. W. LUMSDEN, Acting A. A. Genl. M. Artillery; to the Officer Commanding Malabar Police Corps, Malabar, dated St. Thomas Mount, 5th March 1859, No. 571.

Sir,

Under the direction of the Brigadier Commandant of Artillery, I have the honor to acquaint you, that the 6 Corporals of the Madras Artillery named in the margin proceeded from the Mount on the 2nd instant for the purpose of doing duty with the Mountain Train attached to the Corps under your command.

These men have been trained in the management &c. of Mountain Train Ordnance, and have been previously promoted to Corporals for employment with your Corps, to assist the Warrant Officer in charge of the Mountain Train attached thereto in drilling the detachment of European Infantry, and teaching them the use of the pieces of Ordnance belonging to that battery.
