Fort St. George, Judicial Consultation, 18th January 1859.

No. 62. Read the following letter from JOHN ROHDE, Esq., Inspector General of Jails; to T. PYCROFT, Esq., Chief Secretary to Government, Judicial Department, dated Cuddapah, 3rd January 1859.

SIR,

I have the honor to state, that I have received from the Sub Judge of Combaconum, notice of his having applied for the sanction of Government, to the transfer of 80 prisoners from Combaconum to the Jail at Trichinopoly and of his intention to apply for permission to transfer such other prisoners as may be ring-leaders in the late riots by Sea to some Northern Jail.

I have informed Mr. Grenfell, that in case of his having already transferred the eighty Convicts, he has my sanction to warrant their detention, but that, if they are not yet transferred, forty of the number must be sent to Paumbum, as the Trichinopoly Prison has not accommodation for them. I have further informed him that it rests with the Sessions Judge to award banishment in the case of the ring-leaders who may be convicted; and that should it be necessary to remove any, who may not be so sentenced, a reference can be made to me on the subject.

I have further written to Captain Brine, to request he will immediately commence two new wards at Paumbum, roofed with galvanised iron (tiles not being procurable and thatch being inflammable) as the urgent demands for Jail accommodation far exceeds our present means. I do not anticipate the necessity of applying to Government for sanction for these wards, as the cost will be small.

No. 63.

ORDER THEREON, No. 67; dated 18th January 1859.
