MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Quarter Master General of the Army, Fort Saint George, 2nd May 1859, No. 196; to the Secretary to Government, Military Department.

Reference is made to the Minutes of Consultation of 10th ultimo, No. 540, regarding the Road Serjeant at Bellary, I am directed to explain, that Mr. Kindersley's first representation was forwarded to the Adjutant General, and received by me, with that Officer's papers at Jaulnah—a memo of reply was written and immediately returned to the Adjutant General, though it had been transferred to my Department by order of the Commander-in-Chief. The Adjutant General conceiving that it had been replied to, took no further steps in the measure, and the papers having been returned by me, the matter was lost sight of.

I beg to observe, that the appointment of Road Serjeant has been usually bestowed on well-conducted soldiers, and it is not likely that any of them can have had experience in the duties of Road Serjeant, but at most stations, their great usefulness has been fully acknowledged.

The Road Serjeant at Bellary was appointed in September 1849, and hitherto no complaint had been made against him. But if Mr. Kindersley thinks that the removal of the Serjeant would be a benefit, of course he can be remanded to his Regiment, though it is very natural, that the man may consider this a hardship, after having held this appointment nearly 10 years, and no specific charge being brought against him.

Order, No. 1710, 12th May 1859.

Under the circumstances represented, the Governor in Council has no objection to the Road Serjeant at Bellary being withdrawn:

His Honor assumes, that suitable employment will be found for the Serjeant elsewhere.
